Dear Ms. Dang:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 415347.

The Corpus Christi Police Department (the "department") received a request for information relating to a specified accident. You state the department has released some of the requested information. You claim that the submitted information is excepted from disclosure under section 552.130 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title, or registration issued by a Texas agency is excepted from public release. Gov't Code § 552.130(a)(1), (2). You state the department does not have the technical capability to redact the Texas motor vehicle record information from the photographs. Accordingly, the department must withhold photograph numbers A3909315 and A3909318 in their entirety under section 552.130 of the Government Code. The remaining submitted photographs do not contain information that is subject to section 552.130 of the Government Code and may not be withheld on that basis. As no further exceptions to their disclosure are raised, the remaining photographs must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
