Dear Mr. Hargrove:

You ask whether certain information is subject to required public disclosure under chapter 552 of the Government Code. Your request was assigned ID# 417814 (PIR No. 11-30186).

The Office of the Attorney General (the "OAG") received a request for "any finding in the ongoing investigation of the Daughters of the Republic of Texas, as it pertains to the Alamo." The OAG asserts the submitted information is exempted from disclosure under section 552.111 of the Government Code. We have considered the OAG's claimed exception to disclosure and have reviewed the submitted information.

Section 552.111 excepts from disclosure "an interagency or intraagency memorandum or letter that would not be available by law to a party in litigation with the agency." In Open Records Decision No. 615 (1993), this office reexamined the predecessor to the section 552.111 exception in light of the decision in *Texas Department of Public Safety v. Gilbreath*, 842 S.W.2d 408 (Tex. App.—Austin 1992, no writ), and held that section 552.111 excepts only those internal communications consisting of advice, recommendations, opinions, and other material reflecting the policymaking processes of the governmental body. *City of Garland v. Dallas Morning News*, 22 S.W.3d 351, 364 (Tex. 2000); *Arlington Indep. Sch. Dist. v. Tex. Attorney Gen.*, 37 S.W.3d 152, 160 (Tex. App.—Austin 2001, no pet.). Section 552.111 does not, however, except from disclosure purely factual information that is severable from the opinion portions of internal memoranda. Open Records Decision

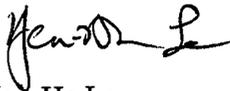

No. 615 at 4-5 (1993). An agency's policymaking functions do not encompass internal administrative or personnel matters; disclosure of information relating to such matters will not inhibit free discussion among agency personnel as to policy issues. ORD 615 at 5-6. Furthermore, the preliminary draft of a policymaking document that has been released or is intended for release in final form is excepted from disclosure in its entirety under section 552.111 because such a draft necessarily represents the advice, recommendations, or opinions of the drafter as to the form and content of the final document. Open Records Decision No. 559 at 2 (1990).

The OAG explains the submitted draft internal report written by its Consumer Protection and Public Health Division will be released to the public in its final form upon completion of the investigation by the Charitable Trusts section of the division. Based on this representation, we agree the OAG may withhold Exhibit B under section 552.111 as it is a draft document pertaining to a policymaking matter of the OAG.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

Yen-Ha Le
