Dear Ms. Graham:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 425796.

The Mesquite Police Department (the "department") received a request for the call sheet related to a specified accident. You state that some responsive information has been provided to the requestor. You claim that some of the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

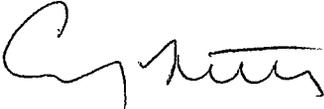

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information that is made confidential by other statutes, including chapter 772 of the Health and Safety Code, which authorizes the development of local emergency communication districts. Sections 772.118, 772.218 and 772.318 are applicable to emergency 9-1-1 districts established in accordance with chapter 772. See Open Records Decision No. 649 (1996). These sections make the originating telephone numbers and addresses of 9-1-1 callers that are furnished by a service supplier confidential. *Id.* at 2. Section 772.118 applies to an emergency communication district for a county with a population of more than two million. You state that the City of Mesquite is part of an emergency communication district established under section 772.118. You indicate the telephone numbers of the 9-1-1 caller that you have marked were furnished

to the district by a 9-1-1 service supplier. Therefore, we conclude the department must withhold the marked information under section 552.101 of the Government Code in conjunction with section 772.118 of the Health and Safety Code. The remaining submitted information must be released to the requestor.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
