

ATTORNEY GENERAL OF TEXAS

October 3, 2011

Mr. Jeffrey L. Moore
For City of Roanoke
Brown & Hofmeister, L.L.P.

OR2011-14218

Dear Mr. Moore:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 436325.

The Roanoke Police Department (the "department") received a request for a specified offense report. You claim the requested information is excepted from disclosure under sections 552.101 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information protected by other statutes, including section 58.007 of the Family Code, which provides in relevant part:

(c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise, concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

(1) if maintained on paper or microfilm, kept separate from adult files and records;

(2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are separate and distinct from controls to access electronic data concerning adults; and

(3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

Fam. Code § 58.007(c). For purposes of section 58.007(c), “child” means a person who is ten years of age or older and under seventeen years of age at the time of the reported conduct. *See id.* § 51.02(2). Section 58.007(c) does not apply to law enforcement records that relate to a juvenile only as a complainant, victim, witness, or other involved party; rather, the juvenile must be involved as a suspect, offender, or defendant. Upon review, we find that Exhibit B does not involve a juvenile as a suspect, offender, or defendant. Therefore, you have failed to demonstrate the information at issue consists of juvenile law enforcement records for purposes of section 58.007(c). Accordingly, no portion of this information may be withheld under section 552.101 on this basis.

You assert some of the submitted information is excepted under section 552.130 of the Government Code, which provides in relevant part:

(a) Information is excepted from the requirements of Section 552.021 if the information relates to:

(1) a motor vehicle operator’s or driver’s license or permit issued by an agency of this state or another state or country.

Act of May 24, 2011, 82nd Leg., R.S., S.B. 1638, § 4 (to be codified as an amendment to Gov’t Code § 552.130). Upon review, we find the department must withhold the driver’s license numbers you have marked under section 552.130 of the Government Code.

In summary, the department must withhold the marked driver’s license numbers under section 552.130 of the Government Code. The remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
