Mr. Thomas W. Deaton

OR2011-15078

Dear Mr. Deaton:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 437722.

The Corrigan Municipal Court (the "court"), which you represent, received a request for information several categories of information pertaining to traffic ticket violations and a specified docket. You contend the requested information is not subject to the Act. We have considered your argument.

We understand you assert the requested information constitutes records of the judiciary. The Act is applicable to information "collected, assembled, or maintained under a law or ordinance or in connection with the transaction of official business by a governmental body." Gov't Code § 552.002(a)(1). However, the Act's definition of "governmental body" "does not include the judiciary." *Id.* § 552.003(1)(B). Information "collected, assembled, or maintained by or for the judiciary" is not subject to the Act but instead is "governed by rules adopted by the Supreme Court of Texas or by other applicable laws and rules." *Id.* § 552.0035(a); *cf.* Open Records Decision No. 131 (1976) (applying statutory predecessor to judiciary exclusion under Gov't Code § 552.003(1)(B) prior to enactment of Gov't Code § 552.0035). The instant request is for information maintained by the court. Accordingly, we conclude that the requested information is not subject to the Act and need not be released in response to this request for information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
