Ms. Margo Kaiser  
Staff Attorney  
Texas Workforce Commission  
101 East 15th Street  
Austin, Texas 78778-0001

OR2011-17431

Dear Ms. Kaiser:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 437161 (TWC Tracking No. 110907-029).

The Texas Workforce Commission (the "commission") received a request for the number of complaints and results of investigations for five campuses of a named career school for a specified period of time. You state the commission will withhold information pursuant to Open Records Decision No. 684 (2009) and has redacted information pursuant to section 552.147 of the Government Code.<sup>1</sup> You claim that the submitted information is

<sup>1</sup>Section 552.147(b) of the Government Code authorizes a governmental body to redact a living person's social security number from public release without the necessity of requesting a decision from this office. *See* Gov't Code § 552.147(b). Open Records Decision No. 684 is a previous determination to all governmental bodies authorizing them to withhold ten categories of information without the necessity of requesting an attorney general decision. However, on September 1, 2011, the Texas legislature amended sections 552.130 and 552.136 of the Government Code to allow a governmental body to redact the information described in subsections 552.130(a)(1) and (a)(3) and section 552.136(b) without the necessity of seeking a decision from the attorney general. *See* Act of May 30, 2011, 82nd Leg., R.S., S.B. 602, §§ 22 (to be codified at Gov't Code § 552.130(c)), 27 (to be codified at Gov't Code § 552.136(c)). If a governmental body redacts such information, it must notify the requestor in accordance with sections 552.130(e) and 552.136(e). *See* Act of May 30, 2011, 82nd Leg., R.S., S.B. 602, §§ 22 (to be codified at Gov't Code § 552.130(d), (e)), 27 (to be codified at Gov't Code § 552.136(d), (e)). Thus, the statutory amendments to sections 552.130 and 552.136 of the Government Code supercede Open Records Decision No. 684 on September 1, 2011. Therefore, a governmental body may only redact information subject to subsections 552.130(a)(1) and (a)(3) in accordance with section 552.130, and information subject to section 552.136(b) in accordance with section 552.136, not Open Records Decision No. 684.

excepted from disclosure under sections 552.101, 552.108, and 552.116 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.<sup>2</sup>

Section 552.116 of the Government Code provides in relevant part as follows:

(a) An audit working paper of an audit of the state auditor or the auditor of a state agency, an institution of higher education as defined by Section 61.003, Education Code, a county, a municipality, a school district, a hospital district, or a joint board operating under Section 22.074, Transportation Code, including any audit relating to the criminal history background check of a public school employee, is excepted from [required public disclosure]. If information in an audit working paper is also maintained in another record, that other record is not excepted from [public disclosure] by this section.

(b) In this section:

(1) "Audit" means an audit authorized or required by a statute of this state or the United States, the charter or an ordinance of a municipality, an order of the commissioners court of a county, the bylaws adopted by or other action of the governing board of a hospital district, a resolution or other action of a board of trustees of a school district, including an audit by the district relating to the criminal history background check of a public school employee, or a resolution or other action of a joint board described by Subsection (a) and includes an investigation.

Act of May 29, 2011, 82nd Leg., R.S., H.B. 2947, §§ 1, 2 (to be codified as amendment to Gov't Code § 552.116(a), (b)(1)). For purposes of section 552.116, an audit working paper includes all information, documentary or otherwise, prepared or maintained in conducting an audit or preparing an audit report, including intra-agency and interagency communications, and drafts of the audit report or portions of those drafts. Gov't Code § 552.116(b)(2).

You state the information at issue consists of audit working papers that were compiled by the commission during the course of investigations into and oversight of career schools subject to the jurisdiction of the commission, as authorized under sections 132.021 and 132.058 of the Education Code. *See* Educ. Code §§ 132.021, .058 (authorizing the commission to

revoke or place conditions upon an issued certificate of approval if the commission has reasonable cause to believe the school violated chapter 132 of the Education Code or any rules adopted thereunder); *see also* 40 T.A.C. § 807.302 (providing the commission's regulations regarding requirements for an investigation of a complaint against a career school subject to jurisdiction and control of the commission). Based on your representations and our review, we agree that the information at issue constitutes audit working papers under section 552.116. Accordingly, the commission may withhold the information at issue under section 552.116. As our ruling is dispositive, we need not address the commission's remaining arguments against disclosure.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
