Dear Ms. Hale:

You ask whether certain information is subject to required public disclosure under chapter 552 of the Government Code. Your request was assigned ID# 442022 (PIR #11-31815).

The Office of the Attorney General (the "OAG") received a request for information concerning the Dripping Springs Water Supply Corporation. The OAG asserts the information is excepted from disclosure under sections 552.107 and 552.108 of the Government Code. We have considered the OAG's claimed exceptions and have reviewed the submitted sample of information.<sup>1</sup>

Section 552.108(a)(1) excepts from disclosure information held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime if release of the information would interfere with the detection, investigation, or prosecution of crime. Gov't Code § 552.108(a)(1). By its terms, section 552.108 applies only to a law enforcement agency or a prosecutor. This office has concluded, however, that where an incident involving alleged criminal conduct is still under active investigation or prosecution, section 552.108 may be invoked by any proper custodian of information that relates to the incident. *See Open*

<sup>1</sup>We assume that the representative sample of records submitted to this office is truly representative of the requested records as a whole. *See Open Records Decision Nos. 499 (1988), 497 (1988)*. This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

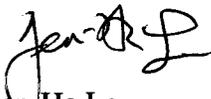

Records Decision Nos. 474 (1987), 372 (1983). Where a non-law enforcement agency is in the custody of information relating to the pending case of a law enforcement agency, the custodian of the records may withhold the information if it provides this office with a demonstration that the information relates to the pending case and a representation from the law enforcement entity that it wishes to withhold the information.

The OAG informs this office the Texas Ranger Division (the "division") of the Texas Department of Public Safety asks the OAG to withhold the information from disclosure so as not to interfere with the division's ongoing criminal investigation. Based on this representation, we agree release of the information will interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Accordingly, the OAG may withhold Exhibit B pursuant to section 552.108(a)(1) of the Government Code. Because section 552.108 is dispositive, we do not address the OAG's section 552.107 assertion.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
