Assistant District Attorney
Hays County District Attorney's Office

OR2012-02251

Dear Mr. Davis:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 449157.

The Hays County Sheriff's Office (the "sheriff's office") received a request for the report related to a specified case number. You claim the requested information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the information you submitted.

We note the submitted information pertains to an alleged violation of section 32.51 of the Penal Code, which provides that "[a] person commits an offense if the person, with the intent to harm or defraud another, obtains, possesses, transfers, or uses an item of . . . identifying information of another person without the other person's consent[.]" Penal Code § 32.51(b)(1). Article 2.29 of the Code of Criminal Procedure pertains to alleged violations of section 32.51 that occurred on or after September 1, 2005 and provides as follows:

(a) A peace officer to whom an alleged violation of Section 32.51, Penal Code, is reported shall make a written report to the law enforcement agency that employs the peace officer that includes the following information:

(1) the name of the victim;

(2) the name of the suspect, if known;

(3) the type of identifying information obtained, possessed, transferred, or used in violation of Section 32.51, Penal Code; and

(4) the results of any investigation.

(b) On the victim's request, the law enforcement agency shall provide the report created under Subsection (a) to the victim. In providing the report, the law enforcement agency shall redact any otherwise confidential information that is included in the report, other than the information described by Subsection (a).

Crim. Proc. Code art. 2.29. For purposes of article 2.29, an offense is committed on or after September 1, 2005 if no "element of the offense occurs before that date." Act of Jun. 17, 2005, 79th Leg., R.S., ch. 294, § 1(b), 2005 Tex. Gen. Laws 885.

In this instance, the submitted report involves identity theft, the requestor is listed as a victim of the crime, and the report is related to an offense that occurred after September 1, 2005. Therefore, the submitted report is subject to article 2.29 of the Code of Criminal Procedure and must be released to this requestor, except to the extent it contains confidential information. Although you seek to withhold the report under section 552.108 of the Government Code, as a general rule the exceptions to disclosure found in the Act do not apply to information other statutes make public. *See* Open Records Decision Nos. 623 at 3 (1994), 525 at 3 (1989). Therefore, section 552.108 is not applicable to the submitted report. Instead, the sheriff's office must release the submitted report to this requestor pursuant to article 2.29 of the Code of Criminal Procedure.¹

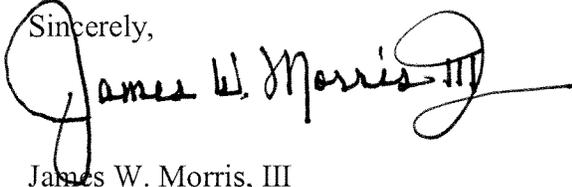

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php,

¹We note the submitted report contains information the sheriff's office would ordinarily be required to withhold under section 552.136 of the Government Code. In this instance, however, the requestor has a right of access to that information. *See* Gov't Code § 552.023(a) ("A person or a person's authorized representative has a special right of access, beyond the right of the general public, to information held by a governmental body that relates to the person and that is protected from public disclosure by laws intended to protect that person's privacy interests."); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individual requests information concerning herself).
