Mr. Steve Sharp  
County Judge  
Falls County Commissioner's Court  
P.O. Box 458  
Marlin, Texas 76661

OR2012-03027

Dear Mr. Sharp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 446622.

The Falls County Commissioner's Court (the "county") received two requests for eleven categories of information pertaining to the death of a named individual. You claim the submitted information is excepted from disclosure under section 552.103 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

We note the submitted information is subject to section 552.022(a)(1) of the Government Code. Section 552.022(a)(1) provides for required disclosure of "a completed report, audit, evaluation, or investigation made of, for, or by a governmental body[.]" unless the information is made confidential under this chapter or "other law" or is excepted from disclosure under section 552.108 of the Government Code. Gov't Code § 552.022(a)(1). The submitted information consists of a completed investigation that is subject to section 552.022(a)(1). You do not claim section 552.108 of the Government Code. Although you assert the submitted information is excepted from disclosure under section 552.103 of the Government Code, that exception is discretionary and does not make information confidential under the Act. *See Dallas Area Rapid Transit v. Dallas Morning News*, 4 S.W.3d 439, 475-76 (Tex. App.—Dallas 1999, no pet.) (governmental body may waive section 552.103); Open Records Decision No. 665 at 2 n.5 (2000) (discretionary exceptions generally). Therefore, the county may not withhold the submitted information under section 552.103. However, we note portions of the submitted information are subject

to sections 552.101 and 552.130 of the Government Code.<sup>1</sup> Because sections 552.101 and 552.130 make information confidential under the Act, we will address their applicability to the submitted information.

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. This section encompasses information other statutes make confidential, such as section 773.091 of the Health and Safety Code, which provides in relevant part:

(b) Records of the identity, evaluation, or treatment of a patient by emergency medical services personnel or by a physician providing medical supervision that are created by the emergency medical services personnel or physician or maintained by an emergency medical services provider are confidential and privileged and may not be disclosed except as provided by this chapter.

...

(g) The privilege of confidentiality under this section does not extend to information regarding the presence, nature of injury or illness, age, sex, occupation, and city of residence of a patient who is receiving emergency medical services.

Health & Safety Code § 773.091(b), (g). Except for the information specified in section 773.091(g), emergency medical services (“EMS”) records are deemed confidential under section 773.091 and may only be released in accordance with chapter 773 of the Health and Safety Code. *See id.* §§ 773.091-.094. We note records that are confidential under section 773.091 may be disclosed to “any person who bears a written consent of the patient or other persons authorized to act on the patient’s behalf for the release of confidential information.” *Id.* §§ 773.092(e)(4), .093. Among the individuals authorized to act on the patient’s behalf in providing written consent is a “personal representative,” if the patient is deceased. *Id.* § 773.093(a). Section 773.093 provides a consent for release of EMS records must specify (1) the information or records to be covered by the release; (2) the reasons or purpose for the release; and (3) the person to whom the information is to be released. Thus, if the county receives proper consent, the submitted EMS records, which we have marked, must be released in their entirety in accordance with chapter 773 of the Health and Safety Code. If the county does not receive proper consent, then, with the exception of the information subject to section 773.091(g), which is not confidential, the marked EMS records must be withheld under section 552.101 of the Government Code in conjunction with section 773.091(b) of the Health and Safety Code.

---

<sup>1</sup>The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

Section 552.130 of the Government Code excepts from disclosure information that relates to a motor vehicle operator's or driver's license or permit issued by an agency of this state or another state or country. Gov't Code § 552.130(a)(1). Upon review, we find the county must withhold the driver's license numbers we have marked under section 552.130 of the Government Code.

In summary, if the county does not receive proper consent, then with the exception of the information subject to section 773.091(g) of the Health and Safety Code, the marked EMS records must be withheld under section 552.101 of the Government Code in conjunction with section 773.091(b) of the Health and Safety Code. The county must withhold the driver's license numbers we have marked under section 552.130 of the Government Code. The county must release the remaining information.
