

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

March 22, 2012

Mr. David K. Walker
County Attorney
Montgomery County
207 West Phillips, Suite 100
Conroe, Texas 77301

OR2012-04255

Dear Mr. Walker:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 402957.

The Montgomery County Sheriff's Office (the "sheriff's office") received a request for the incident report and 911 call pertaining to a specified incident. You claim the submitted information is exempted from disclosure under section 552.108 of the Government Code. We have considered the claimed exception and reviewed the submitted information.

Initially, we note the submitted information includes the results of an analysis of a blood specimen. Section 724.018 of the Transportation Code provides that, on the request of the person who has given a specimen at the request of a peace officer, full information concerning the analysis of the specimen must be made available to that person or the person's attorney. Transp. Code § 724.018. As a general rule, the exceptions to disclosure found in the Act do not apply to information that other statutes make public. *See* Open Records Decision Nos. 623 at 3 (1994), 525 at 3 (1989). In this instance, the requestor is the person who provided the blood specimen at the request of a peace officer. Therefore, the results of the analysis of the blood specimen must be released to this requestor pursuant to section 724.018 of the Transportation Code.

Section 552.103(a)(1) of the Government Code exempts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or

prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body must reasonably explain how release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See id.* § 552.301(e)(1)(A) (governmental body must provide comments explaining why exceptions raised should apply to information requested); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the submitted information pertains to a pending criminal investigation and prosecution. Based on your representation and our review of the information, we conclude release of the information at issue would interfere with the detection, investigation, or prosecution of a crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court describes law enforcement interests that are present in active cases), *writ ref’d per curiam*, 536 S.W.2d 559 (Tex. 1976). Therefore, section 552.108(a)(1) of the Government Code generally applies to the remaining information.

We note, however, the remaining information includes a DIC-24 statutory warning and a DIC-25 notice of suspension. The sheriff’s office provided copies of these forms to the arrestee. You have not explained how releasing this information, which has already been seen by the arrestee, would interfere with the detection, investigation, or prosecution of crime. *See Gov’t Code* § 552.108(a)(1). Accordingly, the DIC-24 and DIC-25 forms may not be withheld under section 552.108. In addition, section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” Gov’t Code § 552.108(c). Section 552.108(c) refers to the basic “front-page” information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88. Basic information must be released, even if it does not literally appear on the front page of the report. *See Open Records Decision No. 127* (1976) (summarizing types of information deemed public by *Houston Chronicle*). Therefore, with the exception of the DIC-24 and DIC-25 forms and basic information, the department may withhold the remaining information under section 552.108(a)(1).

In summary, the sheriff’s office must release the results of the analysis of the blood specimen to this requestor pursuant to section 724.018 of the Transportation Code. With the exception of the DIC-24 and DIC-25 forms and basic information, which must be released, the sheriff’s office may withhold the remaining information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php.
