Ms. Donna L. Clarke
Assistant Criminal District Attorney
County of Lubbock
P.O. Box 10536
Lubbock, Texas 79408-3536

OR2012-06288

Dear Ms. Clarke:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the “Act”), chapter 552 of the Government Code. Your request was assigned ID# 456897.

The Lubbock County Medical Examiner’s Office (the “medical examiner”) received a request for specified information regarding a named decedent, including an autopsy report. You state a responsive autopsy report did not exist when the medical examiner received the present request for information.¹ You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the information you submitted.

We note the medical examiner did not comply with section 552.301 of the Government Code in requesting this decision. Section 552.301 prescribes procedures a governmental body must follow in asking this office to determine whether requested information is excepted from public disclosure. *See* Gov’t Code § 552.301(a). Section 552.301(b) requires the governmental body to ask for the attorney general’s decision and claim its exceptions to disclosure not later than the tenth business day after the date of its receipt of the written

¹We note the Act does not require a governmental body to release information that did not exist when it received a request or create responsive information. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266 (Tex. Civ. App.—San Antonio 1978, writ dism’d); Open Records Decision Nos. 605 at 2 (1992), 555 at 1 (1990), 452 at 3 (1986), 362 at 2 (1983).

request for information. *See id.* § 552.301(b). Section 552.301(e) requires the governmental body to submit to this office, no later than the fifteenth business day after the date of its receipt of the request, (1) written comments stating why the governmental body's claimed exceptions apply to the information it seeks to withhold; (2) a copy of the written request for information; (3) a signed statement of the date on which the governmental body received the request or evidence sufficient to establish the date of receipt; and (4) the specific information the governmental body seeks to withhold or representative samples if the information is voluminous. *See id.* § 552.301(e)(1)(A)-(D). Section 552.302 of the Government Code provides that if a governmental body fails to comply with section 552.301, the requested information is presumed to be subject to required public disclosure and must be released, unless there is a compelling reason to withhold any of the information. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ).

You state the medical examiner received the present request for information on March 5, 2012; therefore, the medical examiner's deadlines under subsections 552.301(b) and (e) were March 19 and 26, respectively. You requested this decision by United States mail meter-marked April 16. *See Gov't Code* § 552.308 (prescribing requirements for proof of compliance with *Gov't Code* § 552.301). Thus, the medical examiner did not comply with section 552.301, and the submitted information is therefore presumed to be public under section 552.302. This statutory presumption can generally be overcome when information is confidential by law or third-party interests are at stake. *See Open Records Decision Nos. 630 at 3 (1994), 325 at 2 (1982)*. We note section 552.108 of the Government Code is a discretionary exception to disclosure that protects a governmental body's interests and may be waived. *See Gov't Code* § 552.007; *Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions), 177 at 3 (1977) (statutory predecessor to Gov't Code* § 552.108 subject to waiver). Nevertheless, the interests under section 552.108 of a governmental body other than the one that failed to comply with section 552.301 can provide a compelling reason for non-disclosure under section 552.302. *See Open Records Decision No. 586 at 2-3 (1991)*. You inform us the Lubbock County Criminal District Attorney's Office (the "district attorney") asserts a law enforcement interest in the information at issue. Therefore, we will determine whether the medical examiner may withhold the submitted information on behalf of the district attorney under section 552.108.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" *Gov't Code* § 552.108(a)(1). A governmental body must reasonably explain how and why section 552.108 is applicable to the information at issue. *See id.* § 552.301(e)(1)(A); *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state release of the submitted information would interfere with a pending criminal investigation and prosecution. Based on your representations, we conclude the medical examiner may

withhold the submitted information on behalf of the district attorney under section 552.108(a)(1) of the Government Code. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
