Mr. R. Kinley Hegglund, Jr.
Senior Assistant City Attorney
City of Wichita Falls
P.O. Box 1431

OR2012-06348

Dear Mr. Hegglund:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 456655 (City ID# 173).

The Wichita Falls Police Department (the "department") received a request for report number 99-041326. You state some information has been released. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the claimed exceptions and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information made confidential by other statutes. The submitted information contains a ST-3 accident form that you claim is excepted from disclosure by section 550.065 of the Transportation Code. This section provides that, except as provided by subsection (c), accident reports are privileged and confidential. Transp. Code § 550.065(b). Section 550.065(c)(4) of the Transportation Code, however, requires the release of accident reports to a person who provides two of the following three pieces of information: (1) date of the accident; (2) name of any person involved in the accident; and (3) specific location of the accident. *Id.* § 550.065(c)(4). In this instance, the requestor has not provided the department with two of the three requisite pieces of information specified by the statute. Accordingly, the department must withhold the submitted ST-3

accident report form under section 552.101 in conjunction with section 550.065(b) of the Transportation Code.

We note that the information you seek to withhold includes intoxilyzer results. Section 724.018 of the Transportation Code provides that, on the request of the person who has given a specimen at the request of a peace officer, full information concerning the analysis of the specimen must be made available to that person or the person's attorney. *Id.* § 724.018. Although you raise section 552.108 of the Government Code for this information, the exceptions to disclosure found in the Act generally do not apply to information that other statutes make public. *See* Open Records Decision Nos. 623 at 3 (1994), 525 at 3 (1989). In this instance, the requestor is the person who provided the breath specimen at the request of a peace officer. Therefore, the intoxilyzer results found in the submitted report must be released to this requestor pursuant to section 724.018 of the Transportation Code.

You raise section 552.108 of the Government Code for the remaining information. Section 552.108(a)(2) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . it is information that deals with the detection, investigation, or prosecution of crime only in relation to an investigation that did not result in conviction or deferred adjudication." Gov't Code § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must demonstrate the requested information relates to a criminal investigation that has concluded in a final result other than a conviction or deferred adjudication. *See id.* § 552.301(e)(1)(A) (governmental body must provide comments explaining why exceptions raised should apply to information requested). You state the information at issue pertains to a closed criminal investigation that did not result in conviction or deferred adjudication. Based on your representation and our review, we find section 552.108(a)(2) applies to the remaining information.

However, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. *Id.* § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle Publishing Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (summarizing types of information considered to be basic information), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Basic information must be released even if it does not literally appear on the front page of an offense or arrest report. *See* Open Records Decision No. 127 (1976) (summarizing types of information deemed public by *Houston Chronicle*). Thus, with the exception of basic information, the department may withhold the remaining information under section 552.108(a)(2) of the Government Code.

In summary, the department must withhold the submitted ST-3 report under section 552.101 of the Government Code in conjunction with Section 550.065(b) of the Transportation Code. The department must release the intoxilyzer results to this requestor pursuant to

section 724.018 of the Transportation Code. With the exception of basic information, the department may withhold the remaining information under section 552.108(a)(2) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
