Assistant County Attorney
Harris County Institute of Forensic Sciences

Dear Mr. Van Slyke:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 462113.

The Harris County Institute of Forensic Sciences (the "institute") received a request for all records pertaining to a named employee. You claim that the submitted information is excepted from disclosure under sections 552.103, 552.108, and 552.152 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.¹

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). Section 552.108 may be invoked by the proper custodian of information relating to an investigation or prosecution of criminal conduct. *See Open Records Decision Nos. 474 at 4-5 (1987)*. Where a governmental body possesses information relating to a pending case

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See Open Records Decision Nos. 499 (1988), 497 (1988)*. This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than those submitted to this office.

of a law enforcement agency, the governmental body agency may withhold the information under section 552.108 if (1) it demonstrates the information relates to the pending case and (2) this office is provided with a representation from the law enforcement entity that the law enforcement entity wishes to withhold the information.

You have provided an affidavit stating the Harris County District Attorney's Office (the "district attorney's office") objects to the disclosure of the submitted information because its release would interfere with a pending criminal prosecution. The district attorney's office states this information relates to a capital murder case in which the employee at issue is a material witness. Based on this representation, we find release of the information at this time would interfere with the pending criminal prosecution. Therefore, we conclude the institute may withhold the submitted information from disclosure under section 552.108(a)(1) of the Government Code. See *Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). As our ruling is dispositive, we need not address your remaining arguments against disclosure.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839.
