OR2012-13268

Dear Ms. Middlebrooks:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 462673 (DPD PIR request # 2012-06678).

The Dallas Police Department (the "department") received a request for information pertaining to a specified incident. You claim some of the submitted information is excepted from disclosure under sections 552.101, 552.108, 552.130, and 552.136 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.¹

We note you seek to withhold the telephone number of a 9-1-1 caller. In Open Records Letter No. 2011-17075 (2011), this office issued a previous determination to the department authorizing it to withhold the originating telephone number of a 9-1-1 caller furnished to the department by a service supplier established in accordance with chapter 772 of the Health and Safety Code under section 552.101 of the Government Code in conjunction with

¹We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. See Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

section 772.318 of the Health and Safety Code without requesting a decision from this office. *See* Gov't Code § 552.301(a); Open Records Decision No. 673 (2001) (listing elements of second type of previous determination under section 552.301(a) of the Government Code). Provided the originating telephone number of the 9-1-1 caller at issue was furnished to the department by a service supplier established in accordance with chapter 772, the department must withhold the marked telephone number in accordance with the previous determination issued in Open Records Letter No. 2011-17075.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the information you have marked relates to a pending criminal matter. You also state the department and the Dallas County District Attorney's Office, the prosecuting agency, object to the release of the information at issue. Based upon these representations, we conclude release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Accordingly, we conclude the department may withhold the information you have marked under section 552.108(a)(1) of the Government Code.²

Section 552.130 of the Government Code excepts from disclosure information that relates to a motor vehicle operator's or driver's license or permit or a motor vehicle title or registration issued by an agency of this state or another state or country. Gov't Code § 552.130(a)(1)-(2). Upon review, we find the department must withhold the motor vehicle record information you have marked in the remaining information, and the additional information we have marked, under section 552.130 of the Government Code.

In summary, provided the originating telephone number of the 9-1-1 caller at issue was furnished to the department by a service supplier established in accordance with chapter 772, the department must withhold the marked telephone number under section 552.101 of the Government Code in conjunction with section 772.318 of the Health and Safety Code in accordance with the previous determination issued in Open Records Letter No. 2011-17075. The department may withhold the information you have marked under section 552.108(a)(1) of the Government Code. The department must withhold the marked motor vehicle record

²As our ruling is dispositive, we need not address your remaining arguments against disclosure of this information.

information under section 552.130 of the Government Code. The remaining information must be released.³
