Mr. Ronald J. Bounds
Assistant City Attorney
City of Corpus Christi
P.O. Box 9277

OR2013-00499

Dear Mr. Bounds:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 477606 (CCPD File Number AE111).

The Corpus Christi Police Department (the "department") received a request for all documents from a specified time period pertaining to the internal investigation of a named officer. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from public disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information made confidential by other statutes, such as section 143.089 of the Local Government Code. You state the City of Corpus Christi is a civil service city under chapter 143 of the Local Government Code. Section 143.089 contemplates two different types of personnel files, a police officer's civil service file that the civil service director is required to maintain, and an internal file that the police department may maintain for its own use. See Local Gov't Code § 143.089(a), (g). In cases in which a police department investigates a police officer's misconduct and takes disciplinary action against an officer, it is required by section 143.089(a)(2) to place all investigatory records relating to the investigation and disciplinary action, including background documents such as complaints, witness statements, and documents of like nature from individuals who were not in a supervisory capacity, in the police officer's civil service file maintained under section 143.089(a). *Abbott v. City of Corpus Christi*, 109 S.W.3d 113, 122 (Tex. App.—Austin 2003, no pet.). All investigatory materials in a case resulting in disciplinary action are "from the employing department" when they are held by or in possession of the department because of its investigation into a police officer's

misconduct, and the department must forward them to the civil service commission for placement in the civil service personnel file. *Id.* Chapter 143 prescribes the following types of disciplinary actions: removal, suspension, demotion, and uncompensated duty. *See* Local Gov't Code §§ 143.051-.055. Such records are subject to release under chapter 552 of the Government Code. *See id.* § 143.089(f); Open Records Decision No. 562 at 6 (1990). However, a document relating to an officer's alleged misconduct may not be placed in his civil service personnel file if there is insufficient evidence to sustain the charge of misconduct. Local Gov't Code § 143.089(b). Information that reasonably relates to an officer's employment relationship with the police department and that is maintained in a police department's internal file pursuant to section 143.089(g) is confidential and must not be released. *City of San Antonio v. San Antonio Express-News*, 47 S.W.3d 556 (Tex. App.—San Antonio 2000, pet. denied); *City of San Antonio v. Texas Attorney General*, 851 S.W.2d 946, 949 (Tex. App.—Austin 1993, writ denied).¹

You state the submitted information is maintained in the department's internal file. We understand the submitted information pertains to an investigation of allegations that did not result in disciplinary action under chapter 143. Based on your representations and our review, we find the submitted information is confidential, and the department must withhold it under section 552.101 of the Government Code in conjunction with section 143.089(g) of the Local Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
