

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

January 9, 2013

Mr. Matthew B. Cross
Assistant City Attorney
City of El Paso

El Paso, Texas 79901

OR2013-00538

Dear Mr. Cross:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 480043.

The El Paso Police Department (the "department") received a request for information pertaining to a specified incident. You state some information will be released. You claim the submitted information is excepted from disclosure under sections 552.108 and 552.130 of the Government Code. We have considered the claimed exceptions and reviewed the submitted information.

Initially, we note the submitted information contains a court-filed document that is subject to section 552.022 of the Government Code. Section 552.022(a)(17) provides for the required public disclosure of "information that is also contained in a public court record," unless it is "made confidential under [the Act] or other law[.]" Gov't Code § 552.022(a). Although you raise section 552.108 of the Government Code for this information, this is a discretionary exception to disclosure that may be waived and does not make information confidential under the Act. *See id.* § 552.007; Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions), 586 (1991) (governmental body may waive section 552.108). As such, section 552.108 does not make information confidential for the purposes of section 552.022(a), and the court-filed document, which we have marked, may not be

withheld on that basis. As no further exceptions to disclosure are raised for this document, it must be released to the requestor.

We next note the remaining information includes the results of an analysis of a breath specimen. Section 724.018 of the Transportation Code provides that, on the request of the person who has given a specimen at the request of a peace officer, full information concerning the analysis of the specimen must be made available to that person or the person's attorney. Transp. Code § 724.018. Although you raise section 552.108 of the Government Code for this information, the exceptions to disclosure found in the Act generally do not apply to information that other statutes make public. *See* Open Records Decision Nos. 623 at 3 (1994), 525 at 3 (1989). In this instance, the requestor is the person who provided the breath specimen at the request of a peace officer. Therefore, the submitted results of the analysis of the breath specimen must be released to this requestor pursuant to section 724.018 of the Transportation Code.

You raise section 552.108 of the Government Code for the remaining information. Section 552.108(a)(1) excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body must reasonably explain how release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See id.* § 552.301(e)(1)(A) (governmental body must provide comments explaining why exceptions raised should apply to information requested); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the submitted information pertains to a pending criminal investigation and prosecution. Based on your representation and our review of the information, we conclude release of the remaining information would interfere with the detection, investigation, or prosecution of a crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court describes law enforcement interests that are present in active cases), *writ ref’d n.r.e per curiam*, 536 S.W.2d 559 (Tex. 1976). Therefore, section 552.108(a)(1) of the Government Code generally applies to the remaining information.

We note, however, the remaining information includes a DIC-24 statutory warning and a DIC-25 notice of suspension. The department provided copies of these forms to the arrestee. You have not explained how releasing this information, which has already been seen by the arrestee, would interfere with the detection, investigation, or prosecution of crime. *See* Gov’t Code § 552.108(a)(1). Accordingly, the DIC-24 and DIC-25 forms may not be withheld under section 552.108. In addition, section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” *Id.* § 552.108(c). Section 552.108(c) refers to the basic “front-page” information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88. Basic information must be released, even if it does not literally appear on the front page of the report. *See* Open Records Decision

No. 127 (1976) (summarizing types of information deemed public by *Houston Chronicle*). Therefore, with the exception of the DIC-24 and DIC-25 forms and basic information, the department may withhold the remaining information under section 552.108(a)(1).¹

In summary, the department must release the court-filed document we have marked under section 552.022(a)(17) of the Government Code. The department must also release the results of the analysis of the breath specimen to this requestor pursuant to section 724.018 of the Transportation Code. With the exception of the DIC-24 and DIC-25 forms and basic information, which must also be released, the department may withhold the remaining information under section 552.108(a)(1) of the Government Code.
