Dear Ms. Lundy:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 479019.

The Eanes Independent School District (the "district"), which you represent, received a request for "a list explaining the purpose, end points and physical location of every circuit on every telecommunication[s] invoice" for the district's telecommunications providers. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.103 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.¹ We have also considered comments submitted by the requestor. *See* Gov't Code § 552.304 (interested party may submit comments stating why information should or should not be released).

We note the submitted information was the subject of a previous request for a ruling, in response to which this office issued Open Records Letter No. 2013-02068 (2013). In that ruling, we determined the district may withhold the information at issue under

¹We assume the "representative sample" of information submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than those submitted to this office.

section 552.103 of the Government Code. As we have no indication the law, facts, and circumstances on which Open Records Letter No. 2013-02068 was based have changed, we conclude the district may continue to rely on Open Records Letter No. 2012-02068 as a previous determination and withhold the submitted information in accordance with that ruling.² See Open Records Decision No. 673 (2001) (so long as law, facts, and circumstances on which prior ruling was based have not changed, first type of previous determination exists where requested information is precisely same information as was addressed in prior attorney general ruling, ruling is addressed to same governmental body, and ruling concludes information is or is not excepted from disclosure).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act must be directed to the Cost Rules Administrator of the Office of the Attorney General, toll free at (888) 672-6787.

Sincerely,

Kenneth Leland Conyer
Assistant Attorney General
