Dear Mr. Bounds:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 479441 (CCPD File No. MStal).

The Corpus Christi Police Department (the "department") received a request for information regarding a specified training evaluation of a named police officer and four categories of information related to police academy training sessions. You state the department has no information responsive to a portion of the request.¹ You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section excepts from disclosure information deemed confidential by statute, such as section 143.089 of the Local Government Code. You state the city is a civil service city under chapter 143 of the Local Government Code. Section 143.089 contemplates two different types of personnel files: a police officer's civil service file that the civil service director is required to maintain, and an internal file that the police

department may maintain for its own use. Local Gov't Code § 143.089(a), (g). In cases in which a police department investigates a police officer's misconduct and takes disciplinary action against an officer, it is required by section 143.089(a)(2) to place all investigatory records relating to the investigation and disciplinary action, including background documents such as complaints, witness statements, and documents of like nature from individuals who were not in a supervisory capacity, in the police officer's civil service file maintained under section 143.089(a).² *Abbott v. City of Corpus Christi*, 109 S.W.3d 113, 122 (Tex. App.—Austin 2003, no pet.). All investigatory materials in a case resulting in disciplinary action are “from the employing department” when they are held by or in possession of the department because of its investigation into a police officer's misconduct, and the department must forward them to the civil service commission for placement in the civil service personnel file. *Id.* Such records are subject to release under the Act. *See* Local Gov't Code § 143.089(f); Open Records Decision No. 562 at 6 (1990). However, information maintained in a police department's internal file pursuant to section 143.089(g) is confidential and must not be released.³ *City of San Antonio v. Texas Attorney Gen.*, 851 S.W.2d 946, 949 (Tex. App.—Austin 1993, writ denied).

You state the submitted information is maintained in the department's internal files created pursuant to section 143.089(g). We note the submitted information contains an evaluation of an officer. This type of information is subject to section 143.089(a) and must be placed in the officer's civil service file, unless the department has already done so. *See* Local Gov't Code § 143.089(a)(1), (3). You state the department has referred the requestor to the city's civil service director. Therefore, based on your representations and our review, we agree the submitted information is confidential pursuant to section 143.089(g) of the Local Government Code and must be withheld under section 552.101 of the Government Code on that basis.
