

ATTORNEY GENERAL OF TEXAS

February 27, 2013

Ms. Sharon Alexander
Associate General Counsel
Texas Department of Transportation
125 East 11th Street
Austin, Texas 78701

OR2013-03333

Dear Ms. Alexander:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 479862.

The Texas Department of Transportation (the "department") received a request for copies of accident reports for all motor vehicle incident, crashes, or collisions that occurred during a specified time period in two specified counties.¹ You claim the requested information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.²

¹We note the department asked for and received clarification regarding this request. *See* Gov't Code § 552.222(b) (governmental body may communicate with requestor for purpose of clarifying or narrowing request for information); *see City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding that when a governmental entity, acting in good faith, requests clarification or narrowing of an unclear or over-broad request for public information, the ten-day period to request an attorney general ruling is measured from the date the request is clarified or narrowed).

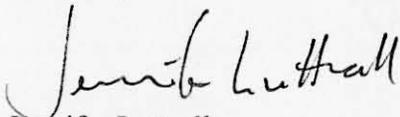

²We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

Section 552.101 of the Government Code exempts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information made confidential by statute, including section 550.065(b) of the Transportation Code, which states that except as provided by subsection (c) or subsection (e), accident reports are privileged and confidential. *See* Transp. Code § 550.065. Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) date of the accident; (2) name of any person involved in the accident; and (3) specific location of the accident. *Id.* § 550.065(c)(4). In this instance, the requestor has not provided any of the three pieces of required information for the submitted CR-3 accident reports. Thus, we agree the department must withhold the submitted CR-3 accident reports under section 552.101 in conjunction with section 550.065(b).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

Jennifer Luttrall
Assistant Attorney General
