

ATTORNEY GENERAL OF TEXAS  
GREG ABBOTT

March 1, 2013

Mr. Stephen A. Cumbie  
Assistant City Attorney  
City of Fort Worth  
1000 Throckmorton Street, Third Floor  
Fort Worth, Texas 76102

OR2013-03510

Dear Mr. Cumbie:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 480082 (PIR No. W022097).

The City of Fort Worth (the "city") received a request for the personnel records of a named police officer. You state you are releasing some of the requested information to the requestor. You claim that the submitted information is excepted from disclosure under sections 552.101, 552.102, 552.117, 552.122 and 552.136 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from public disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 of the Government Code encompasses section 550.065(b) of the Transportation Code, which states that except as provided by subsection (c), accident reports are privileged and confidential. *See* Transp. Code § 550.065. The submitted information contains an ST-3 accident report form that was completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 550.065(c)(4) provides for the release of an accident report to a person who provides two of the following three pieces of information: (1) date of the accident; (2) name of any person involved in the accident; and (3) specific location of the accident. *Id.* § 550.065(c)(4). Under this provision, the Texas Department of Transportation or another governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more pieces of information specified by the statute.

*Id.* The requestor has not provided the city with two of the three pieces of information. Thus, the city must withhold the ST-3 accident report under section 552.101 of the Government Code in conjunction with section 550.065(b) of the Transportation Code.

Section 552.101 also encompasses section 143.089 of the Local Government Code. You state the city is a civil service city under chapter 143 of the Local Government Code. Section 143.089 provides for the existence of two different types of personnel files relating to a police officer: one that must be maintained as part of the officer's civil service file and another that the police department may maintain for its own internal use. *See* Local Gov't Code § 143.089(a), (g). Under section 143.089(a), the officer's civil service file must contain certain specified items, including commendations, periodic evaluations by the police officer's supervisor, and documents relating to any misconduct in which the department took disciplinary action against the officer under chapter 143 of the Local Government Code. *Id.* § 143.089(a)(1)–(2). Chapter 143 prescribes the following types of disciplinary actions: removal, suspension, demotion, and uncompensated duty. *Id.* §§ 143.051–.055; *see* Attorney General Opinion JC-0257 (written reprimand is not disciplinary action for purposes of Local Gov't Code chapter 143). In cases in which a police department investigates a police officer's misconduct and takes disciplinary action against an officer, it is required by section 143.089(a)(2) to place all investigatory records relating to the investigation and disciplinary action, including background documents such as complaints, witness statements, and documents of like nature from individuals who were not in a supervisory capacity, in the police officer's civil service file maintained under section 143.089(a). *See Abbott v. Corpus Christi*, 109 S.W.3d 113, 122 (Tex. App.—Austin 2003, no pet.). All investigatory materials in a case resulting in disciplinary action are “from the employing department” when they are held by or are in the possession of the department because of its investigation into a police officer's misconduct, and the police department must forward them to the civil service commission for placement in the civil service personnel file. *Id.* Such records may not be withheld under section 552.101 of the Government Code in conjunction with section 143.089 of the Local Government Code. *See* Local Gov't Code § 143.089(f); Open Records Decision No. 562 at 6 (1990). However, a document relating to a police officer's alleged misconduct may not be placed in his civil service file if there is insufficient evidence to sustain the charge of misconduct. Local Gov't Code § 143.089(b). Information that reasonably relates to a police officer's employment relationship with the police department and that is maintained in a police department's internal file pursuant to section 143.089(g) is confidential and must not be released. *City of San Antonio v. San Antonio Express-News*, 47 S.W.3d 556 (Tex. App.—San Antonio 2000, pet. denied); *City of San Antonio v. Tex. Attorney Gen.*, 851 S.W.2d 946, 949 (Tex. App.—Austin 1993, writ denied).

You explain the city's police department maintains the remaining information in the officer's departmental file pursuant to section 143.089(g), and no disciplinary action was taken against the officer as part of the investigation at issue. Based on your representation and our review, we find the city must withhold the remaining information under section 552.101 of the Government Code in conjunction with section 143.089(g) of the Local Government Code.

In summary, the city must withhold the submitted ST-3 accident report form under section 552.101 of the Government Code in conjunction with section 550.065(b) of the Transportation Code. The city must withhold the remaining information under section 552.101 of the Government Code in conjunction with section 143.089(g) of the Local Government Code.
