GREG ABBOTT

Ms. Amy L. Sims  
Assistant City Attorney  
City of Lubbock  
P.O. Box 2000  
Lubbock, Texas 79457

OR2013-05116

Dear Ms. Sims:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 487176.

The City of Lubbock (the "city") received a request for information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code.<sup>1</sup> We have considered the exception you claim and reviewed the submitted information.

Initially, we note the submitted documents include a CR-3 accident report form completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 550.065(b) states that, except as provided by subsection (c) or subsection (e), accident reports are privileged and confidential. *Id.* § 550.065(b). Section 550.065(c)(4) provides for the release of an accident report to a person who provides two of the following three pieces of information: (1) the date of the accident; (2) the name of any person involved in the accident; and (3) the specific location of the accident. *Id.* § 550.065(c)(4). Under this provision, the Texas Department of Transportation or another

<sup>1</sup>Although you also raise section 552.101 of the Government Code, you provide no arguments to support this claim. *See* Gov't Code § 552.301(e) (governmental body must provide comments stating why exceptions raised should apply to information requested). Accordingly, we do not address your assertion of section 552.101 for the submitted information.

governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more of the items of information specified by the statute. *Id.* In this instance, the requestor has provided the city with two of the three specified items of information. Although you seek to withhold this information under section 552.108 of the Government Code, we note information that is specifically made public by statute may not be withheld from the public under any of the exceptions to public disclosure under the Act. *See, e.g.,* Open Records Decision Nos. 544 (1990), 378 (1983), 161 (1977), 146 (1976). Accordingly, the city must release the submitted CR-3 accident report pursuant to section 550.065(c)(4) of the Transportation Code.

We also note the submitted information includes a court-filed document. Section 552.022(a)(17) of the Government Code provides for required public disclosure of "information that is also contained in a public court record," unless the information is expressly confidential under other law. Gov't Code § 552.022(a)(17). We have marked the document subject to section 552.022(a)(17). Although you seek to withhold this information under section 552.108 of the Government Code, that section is a discretionary exception to disclosure that protects a governmental body's interests and may be waived. *See id.* § 552.007; Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 177 at 3 (1977) (statutory predecessor to Gov't Code § 552.108 subject to waiver). As such, section 552.108 does not make information confidential under the Act. Therefore, the marked court-filed document may not be withheld under section 552.108. However, because section 552.130 of the Government Code makes information confidential under the Act, we will consider the applicability of this exception to the court-filed document.<sup>2</sup>

Section 552.130 of the Government Code provides that information relating to a motor vehicle title or registration issued by an agency of this state or another state or country is excepted from public release. Gov't Code § 552.130(a)(2). The city must withhold the information we have marked in the court-filed document under section 552.130.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime [if] release of the information would interfere with the detection, investigation, or prosecution of crime[.]" *Id.* § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* § 552.301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the remaining information relates to a pending criminal investigation. Based upon your representation and our review, we find

<sup>2</sup>The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

that release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curium*, 536 S.W.2d 559 (Tex. 1976). Accordingly, section 552.108(a)(1) is applicable to the remaining information.

However, section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” Gov’t Code § 552.108(c). Section 552.108(c) refers to the basic “front-page” information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-187; *see also* Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Accordingly, with the exception of basic information, the city may withhold the remaining information under section 552.108(a)(1) of the Government Code.

In summary, the city must release the submitted CR-3 accident report pursuant to section 550.065(c)(4) of the Transportation Code. Except for the information we have marked under section 552.130 of the Government Code, the marked court-filed document must be released in accordance with section 552.022(a)(17) of the Government Code. Except for basic information, which must be released, the city may withhold the remaining information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
