

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

April 11, 2013

Mr. Daniel Plake
Assistant County Attorney
County Attorney's Office
County of Montgomery
207 West Phillips, Suite 100
Conroe, Texas 77301

OR2013-05814

Dear Mr. Plake:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 489409 (ORR# 13-1602).

The Montgomery County Sheriff's Department (the "sheriff's department") received a request for police report number 13A003116. You state the sheriff's department will redact driver's license numbers under section 552.130(c) of the Government Code and social security numbers under section 552.147(b) of the Government Code.¹ You state the sheriff's department has released some of the requested information. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code.² We have considered the exception you claim and reviewed the submitted information.

¹Section 552.130(c) of the Government Code allows a governmental body to redact the information described in subsections 552.130(a)(1) and (a)(3) without the necessity of seeking a decision from the attorney general. *See* Gov't Code § 552.130(c). If a governmental body redacts such information, it must notify the requestor in accordance with section 552.130(e). *See id.* § 552.130(d), (e). Further, section 552.147(b) of the Government Code authorizes a governmental body to redact a living person's social security number from public release without the necessity of requesting a decision from this office. *See id.* § 552.147(b).

²Although you also raise section 552.101 of the Government Code, you have not provided any argument to support this exception. Therefore, we do not address section 552.101. *See* Gov't Code §§ 552.301(e)(1)(A), .302.

Initially, we note the submitted information includes a CR-3 report completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 550.065(b) states, except as provided by subsection (c) or subsection (e), accident reports are privileged and confidential. *Id.* § 550.065(b). However, section 550.065(c)(4) provides for release of accident reports to a person who provides two of the following three pieces of information: (1) date of the accident; (2) name of any person involved in the accident; and (3) specific location of the accident. *Id.* § 550.065(c)(4). Under this provision, the Texas Department of Transportation or another governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more pieces of information specified by the statute. In this instance, the requestor has provided the sheriff's department with the required information pursuant to section 550.065(c)(4). Although you seek to withhold this information under section 552.108 of the Government Code, we note a statutory right of access generally prevails over the exceptions to public disclosure under the Act. *See, e.g.,* Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exception to disclosure under the Act). Accordingly, the submitted CR-3 report must be released pursuant to section 550.065(c)(4) of the Transportation Code.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the submitted information is part of a pending criminal cause of action. Generally, the release of information pertaining to an open case is presumed to interfere with the criminal investigation. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases). We note, however, the information at issue includes a Statutory Warning and a Notice of Suspension. The Statutory Warning and Notice of Suspension have previously been provided to the arrestee, copies of these document have previously been released to the arrestee, we find you have not shown how release of the documents will interfere with the detection, investigation, or prosecution of crime. *See* Gov't Code § 552.108(a)(1). Because the remaining information at issue has not been previously released, we conclude release of this information would interfere with the detection, investigation, or prosecution of crime. Thus, we find section 552.108(a)(1) is applicable to the remaining information at issue.

However, we note, and you acknowledge, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88; Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Thus, with the exception of the basic

information, which must be released, the sheriff's department may withhold the remaining information under section 552.108(a)(1) of the Government Code.

We note the Statutory Warning and Notice of Suspension contain information that is subject to section 552.130 of the Government Code.³ Section 552.130 provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. Accordingly, the sheriff's department must withhold the motor vehicle record information we have marked under section 552.130 of the Government Code.

In summary, the sheriff's department must release the submitted CR-3 report pursuant to section 550.065(c)(4) of the Transportation Code. The sheriff's department must also release the submitted Statutory Warning and Notice of Suspension; however, in releasing these documents, the sheriff's department must withhold the marked motor vehicle record information under section 552.130 of the Government Code. With the exception of the basic information, which must be released, the sheriff's department may withhold the remaining information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
