Dear Ms. Lentz:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 489477.

The Williamson County Sheriff's Office (the "sheriff's office") received a request for information pertaining to a specified case number. You claim the submitted information is excepted from disclosure under sections 552.108 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.<sup>1</sup>

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.*

---

<sup>1</sup>We assume the "representative sample" of information submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than those submitted to this office.

§§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the submitted information relates to a pending criminal investigation and the Williamson County District Attorney's Office objects to the release of the submitted information because its release would interfere with the pending prosecution of the criminal offense. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

We note, however, the submitted information includes a DIC-24 statutory warning and a DIC-25 notice of suspension. The sheriff's office provided copies of these forms to the arrestee. You have not explained how releasing this information, which has already been seen by the arrestee, would interfere with the detection, investigation, or prosecution of crime. *See Gov't Code § 552.108(a)(1)*. Accordingly, the DIC-24 and DIC-25 forms may not be withheld under section 552.108.

Additionally, section 552.108 does not except from disclosure "basic information about an arrested person, an arrest, or a crime." *Id.* § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186–87; Open Records Decision No. 127 (1976) (summarizing types of information deemed public by *Houston Chronicle*). Therefore, with the exception of the DIC-24 and DIC-25 forms and basic information, the sheriff's office may withhold the submitted information under section 552.108(a)(1).

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's or driver's license issued by a Texas agency, or an agency of another state or country, is excepted from public release. Gov't Code § 552.130(a)(1). Upon review, we find the sheriff's office must withhold the driver's license information you have marked in the DIC-24 and DIC-25 forms under section 552.130 of the Government Code.

In summary, except for the driver's license information you have marked, which the sheriff's office must withhold under section 552.130 of the Government Code, the town must release the DIC-24 and DIC-25 forms. With the exception of basic information, which the sheriff's office must release, the sheriff's office may withhold the remaining information under section 552.108(a)(1) of the Government Code.
