Mr. W. Montgomery Meitler
Assistant Counsel
Office of Legal Services
Texas Education Agency
1701 North Congress Avenue

OR2013-05936

Dear Mr. Meitler:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 483812 (TEA PIR# 19025).

The Texas Education Agency (the "TEA") received a request for reports generated from a specified review and correspondence between the TEA and Crystal City Independent School District (the "district") regarding the review at issue. You state the TEA is withholding student-identifying information from the requested documents pursuant to the Family Educational Rights and Privacy Act ("FERPA"), section 1232g of title 20 of the United States Code.¹ You claim the submitted information is excepted from disclosure under section 552.116 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.²

¹The United States Department of Education Family Policy Compliance Office (the "DOE") has informed this office FERPA does not permit state and local educational authorities to disclose to this office, without parental or student consent, unredacted, personally identifiable information contained in education records for the purpose of our review in the open records ruling process under the Act. The DOE has determined FERPA determinations must be made by the educational authority in possession of the education records. A copy of this letter may be found on the Office of the Attorney General's website: <http://www.oag.state.tx.us/open/20060725usdoe.pdf>.

²We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

Section 552.116 of the Government Code provides,

(a) An audit working paper of an audit of the state auditor or the auditor of a state agency, an institution of higher education as defined by Section 61.003, Education Code, a county, a municipality, a school district, a hospital district, or a joint board operating under Section 22.074, Transportation Code, including any audit relating to the criminal history background check of a public school employee, is excepted from [required public disclosure]. If information in an audit working paper is also maintained in another record, that other record is not excepted from [public disclosure] by this section.

(b) In this section:

(1) "Audit" means an audit authorized or required by a statute of this state or the United States, the charter or an ordinance of a municipality, an order of the commissioners court of a county, the bylaws adopted by or other action of the governing board of a hospital district, a resolution or other action of a board of trustees of a school district, including an audit by the district relating to the criminal history background check of a public school employee, or a resolution or other action of a joint board described by Subsection (a) and includes an investigation.

(2) "Audit working paper" includes all information, documentary or otherwise, prepared or maintained in conducting an audit or preparing an audit report, including:

(A) intra-agency and interagency communications; and

(B) drafts of the audit report or portions of those drafts.

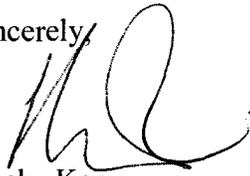

Gov't Code § 552.116. You state the submitted information consists of audit working papers that were prepared or are maintained by the TEA's Division of Program Monitoring and Interventions in conjunction with a pending audit of the district. You inform us the audit is authorized by section 39.056(a)(1) of the Education Code, which permits the Commissioner of Education to direct the TEA to conduct on-site investigations of a school district at any time to answer any questions concerning a program required by federal law or for which the district receives federal funds, and section 39.057(a)(4) of the Education Code, which permits special accreditation investigations to be conducted in response to established compliance reviews of a school district's financial accounting practices and state and federal program requirements. *See* Educ. Code §§ 39.056, .057 (listing circumstances in which the commissioner shall authorize investigations). Based on your representations and our review of the information at issue, we agree section 552.116 is applicable in this instance.

We therefore conclude the TEA may withhold the submitted information pursuant to section 552.116.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
