Dear Mr. Lawson:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 485060.

The Dallas Police & Fire Pension System (the "system"), which you represent, received a request for CDK Realty Advisors' most recent annual report. You claim the requested information is excepted from disclosure under sections 552.104, 552.110, and 552.143 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, you indicate some of the submitted information is subject to section 552.0225 of the Government Code. Section 552.0225(b) provides, in relevant part, as follows:

The following categories of information held by a governmental body relating to its investments are public information and not excepted from disclosure under [the Act]:

...

(2) the date that a fund or investment entity described by Subdivision (1) was established;

(3) each date the governmental body invested in a fund or investment entity described by Subdivision (1);

(4) the amount of money, expressed in dollars, the governmental body has committed to a fund or investment entity;

(5) the amount of money, expressed in dollars, the governmental body is investing or has invested in any fund or investment entity;

(6) the total amount of money, expressed in dollars, the governmental body received from any fund or investment entity in connection with an investment;

(7) the internal rate of return or other standard used by a governmental body in connection with each fund or investment entity it is or has invested in and the date on which the return or other standard was calculated;

(8) the remaining value of any fund or investment entity the governmental body is or has invested in;

(9) the total amount of fees, including expenses, charges, and other compensation, assessed against the governmental body by, or paid by the governmental body to, any fund or investment entity or principal of any fund or investment entity in which the governmental body is or has invested;

...

(11) each recusal filed by a member of the governing board in connection with a deliberation or action of the governmental body relating to an investment;

...

(13) the minutes and audio or video recordings of each open portion of a meeting of the governmental body at which an item described by this subsection was discussed;

(14) the governmental body's percentage ownership interest in a fund or investment entity the governmental body is or has invested in;

(15) any annual ethics disclosure report submitted to the governmental body by a fund or investment entity the governmental body is or has invested in; and

(16) the cash-on-cash return realized by the governmental body for a fund or investment entity the governmental body is or has invested in.

Gov't Code § 552.0225(b)(2)-(9), (11), (13)-(16). You indicate the submitted information contains information subject to the relevant portions of section 552.0225(b) of the Government Code. The exceptions to disclosure found in the Act, including sections 552.104, 552.110, and 552.143, do not apply to information that is made public by section 552.0225. *See* Open Records Decision Nos. 623 at 3 (1994), 525 at 3 (1989). Therefore, the system must release those portions of the submitted information that are subject to the relevant portions of section 552.0225(b) of the Government Code.

You argue the remaining information at issue is excepted from disclosure under section 552.143 of the Government Code, which provides, in part,

(c) All information regarding a governmental body's direct purchase, holding, or disposal of restricted securities that is not listed in Section 552.0225(b)(2)-(9), (11), or (13)-(16) is confidential and excepted from the requirements of Section 552.021. This subsection does not apply to a governmental body's purchase, holding, or disposal of restricted securities for the purpose of reinvestment nor does it apply to a private investment fund's investment in restricted securities. This subsection applies to information regarding a direct purchase, holding, or disposal of restricted securities by the Texas growth fund, created under Section 70, Article XVI, Texas Constitution, that is not listed in Section 552.0225(b).

Gov't Code § 552.143(c). You argue the information pertains to the system's direct purchase, holding, or disposal of nineteen restricted securities. *See id.* § 552.143(d)(3) (defining "restricted securities" for purposes of section 552.143); *see also* 17 C.F.R. § 230.144(a)(3) (defining "restricted securities" as "securities acquired directly or indirectly from the issuer, or from an affiliate of the issuer, in a transaction or chain of transactions not involving public offering"). You also state the system's investments at issue were not for purposes of reinvestment. Accordingly, based on your representations and our review, we find the system has demonstrated the applicability of section 552.143(c) to the information at issue. Thus, with the exception of information the system must release pursuant to subsections 552.0225(b)(2)-(9), (11), and (13)-(16) of the Government Code, the

system must withhold the submitted information under section 552.143(c) of the Government Code.<sup>1</sup>
