Mr. Jeffrey L. Moore

Dear Mr. Moore:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 489742.

The City of Forney (the "city"), which you represent, received a request for information pertaining to an incident involving a dog left in mud. You state the city will release most of the submitted information to the requestor. You claim the remaining submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. You claim section 552.101 in conjunction with the common-law informer's privilege, which Texas courts have long recognized. *See Aguilar v. State*, 444 S.W.2d 935, 937 (Tex. Crim. App. 1969). The informer's privilege protects the identities of persons who report activities over which the governmental body has criminal or quasi-criminal law-enforcement authority, provided the subject of the information does not already know the informer's identity. *See Open Records Decision Nos. 515 at 3 (1998), 208 at 1-2 (1978)*. The privilege protects the identities of individuals who report violations of statutes to the police or similar law-enforcement agencies, as well as those who report violations of statutes with civil or criminal penalties to "administrative officials having a duty of inspection or of law enforcement within their particular spheres." *See Open Records*

Decision No. 279 at 2 (1981) (citing 8 John H. Wigmore, EVIDENCE IN TRIALS AT COMMON LAW, § 2374, at 767 (J. McNaughton rev. ed. 1961)). The report must be of a violation of a criminal or civil statute. *See* Open Records Decision Nos. 582 at 2 (1990), 515 at 4-5. The privilege excepts the informer's statement only to the extent necessary to protect the informer's identity. *See* Open Records Decision No. 549 at 5 (1990).

You state the information you have highlighted identifies an individual who made a report of alleged animal cruelty to the city's police department. You inform us such conduct could result in a criminal prosecution. Based on your representations and our review, we agree the city may withhold the information you have highlighted under section 552.101 of the Government Code in conjunction with the common-law informer's privilege. *See* Open Records Decision No. 156 (1977) (name of person who makes complaint about another individual to city's animal control division is excepted from disclosure by informer's privilege so long as information furnished discloses potential violation of state law).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at [http://www.oag.state.tx.us/open/index\\_orl.php](http://www.oag.state.tx.us/open/index_orl.php), or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

Ana Carolina Vieira  
Assistant Attorney General
