Mr. David Ritter
Assistant City Attorney
City of Plano
P.O. Box 860358

OR2013-07074

Dear Mr. Ritter:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 491366.

The Plano Police Department (the "department") received a request for information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note portions of the request require the department to answer questions. The Act does not require a governmental body to answer general questions, perform legal research, or create new information in response to a request for information. *See* Open Records Decision Nos. 563 at 8 (1990), 555 at 1-2 (1990). However, the Act does require the governmental body to make a good faith effort to relate a request to information that the governmental body holds or to which it has access. *See* Open Records Decision Nos. 563 at 8, 561 at 8-9 (1990), 555 at 1-2, 534 at 2-3 (1989). In this instance, we assume the department has made a good faith effort to locate any information responsive to this request. Accordingly, we will address your claimed exception to disclosure of the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or

prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must reasonably explain how and why this exception is applicable to the information at issue. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the submitted information relates to a pending prosecution. Based upon your representation, we conclude release of the submitted information will interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Accordingly, we find the department may withhold the submitted information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php, or call the Office of the Attorney General’s Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act must be directed to the Cost Rules Administrator of the Office of the Attorney General, toll free at (888) 672-6787.

Sincerely,

Claire V. Morris Sloan
Assistant Attorney General
