Texas Department of Licensing and Regulation

OR2013-07078

Dear Mr. Bowman:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 485783 (TDLR No. 8946).

The Texas Department of Licensing and Regulation (the "department") received a request for licensing information for two named individuals. You state you have released some information to the requestor. You claim portions of the submitted information are excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses laws that make criminal history record information ("CHRI") confidential. CHRI generated by the National Crime Information Center or by the Texas Crime Information Center is confidential under federal and state law. Title 28, part 20 of the Code of Federal Regulations governs the release of CHRI that states obtain from the federal government or other states. Open Records Decision No. 565 at 7 (1990). The federal regulations allow each state to follow its individual law with respect to CHRI it generates. *Id.* at 10–12. Section 411.083 of the Government Code deems confidential CHRI the Department of Public Safety ("DPS") maintains, except DPS may disseminate this information as provided in chapter 411, subchapter F of the Government Code. *See* Gov't Code § 411.083.

Section 411.122 of the Government Code authorizes the department to obtain CHRI from DPS. *See id.* § 411.122. However, the department may not release CHRI except as provided by chapter 411. *See id.* §§ 411.083, .084(c) (agency may not confirm existence or nonexistence of CHRI to any person not eligible to receive the information). Thus, any CHRI generated by the federal government or another state may not be made available to the requestor except in accordance with federal regulations. *See* ORD 565. Furthermore, any CHRI obtained from DPS or any other criminal justice agency must be withheld under section 552.101 of the Government Code in conjunction with chapter 411 of the Government Code. Upon review, we agree the information you have marked consists of CHRI obtained by the department from DPS regarding licensees. Therefore, we find the department must withhold the CHRI you have marked under section 552.101 in conjunction with federal law and chapter 411 of the Government Code. The remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
