Dear Mr. Bounds:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 490912 (File No. 255).

The City of Corpus Christi (the "city") received a request for information pertaining to a named individual. You state some of the requested information either has been or will be released. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the information you submitted.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses information made confidential by other statutes, including section 773.091 of the Health and Safety Code, which is applicable to records of the provision of emergency medical services ("EMS") and provides in part:

(b) Records of the identity, evaluation or treatment of a patient by emergency medical services personnel or by a physician providing medical supervision that are created by the emergency medical services personnel or physician or maintained by an emergency medical services provider are confidential and privileged and may not be disclosed except as provided by this chapter.

(c) Any person who receives information from confidential communications or records as described by this chapter, other than a person listed in Section 773.092 who is acting on the survivor's behalf, may not disclose the

information except to the extent that disclosure is consistent with the authorized purposes for which the information was obtained.

...

(g) The privilege of confidentiality under this section does not extend to information regarding the presence, nature of injury or illness, age, sex, occupation, and city of residence of a patient who is receiving emergency medical services.

Health & Safety Code § 773.091(b)-(c), (g). You contend the submitted information is confidential under section 773.091. We agree the information at issue consists of EMS records the city must withhold under section 552.101 of the Government Code in conjunction with section 773.091 of the Health and Safety Code, except as specified by section 773.091(g).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
