Assistant City Attorney
City of San Antonio

OR2013-07814

Dear Mr. Weir:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 491360 (W014549).

The City of San Antonio (the "city") received a request for information pertaining to a named individual's arrest. You claim the requested information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the submitted information includes court-filed documents. Section 552.022(a)(17) of the Government Code provides for required public disclosure of "information that is also contained in a public court record," unless the it is "made confidential under [the Act] or other law[.]" Gov't Code § 552.022(a)(17). We have marked the documents that are subject to section 552.022(a)(17). Although the city seeks to withhold this information under section 552.108 of the Government Code, this section is a discretionary exception and does not make information confidential under the Act. *See id.* § 552.007; Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 177 at 3 (1977) (statutory predecessor to section 552.108 subject to waiver). Accordingly, the marked court-filed documents may not be withheld under section 552.108. We note, however, the information subject to section 552.022 contains motor vehicle record

information subject to section 552.130 of the Government Code.¹ As this exception can make information confidential for purposes of section 552.022, we will address its applicability to the information at issue.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime [if] release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* § 552.301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the submitted information relates to an open criminal investigation. Based on this representation, we conclude section 552.108(a)(1) is generally applicable in this instance. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curium*, 536 S.W.2d 559 (Tex. 1976).

We note, however, the information at issue includes a DIC-24 statutory warning and a DIC-25 notice of suspension. The city provided copies of these forms to the arrestee. You have not explained how releasing this information, which has already been seen by the arrestee, would interfere with the detection, investigation, or prosecution of crime. *See* Gov’t Code § 552.108(a)(1). Accordingly, the DIC-24 and DIC-25 forms may not be withheld under section 552.108.

Additionally, section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” *Id.* § 552.108(c). Section 552.108(c) refers to the basic “front-page” information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-187; *see also* Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Accordingly, with the exception of the DIC-24 and DIC-25 forms and basic information, the city may withhold the remaining information under section 552.108(a)(1) of the Government Code.

We note the marked court-filed documents subject to section 552.022(a)(17) of the Government Code and the DIC-24 and DIC-25 forms contain driver’s license information. Section 552.130 of the Government Code excepts from disclosure information relating to a motor vehicle operator’s or driver’s license or permit issued by an agency of this state or another state or country. Gov’t Code § 552.130(a)(1). Thus, the city must withhold the information we have marked under section 552.130 of the Government Code.

¹The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

In summary, with the exception of the information we have marked under section 552.130 of the Government Code, which must be withheld, the city must release the marked court documents pursuant to section 552.022(a)(17) of the Government Code and the DIC-24 and DIC-25 forms. With the exception of basic information, which must be released, the city may withhold the remaining information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
