Ms. Suzanne West
City Attorney

Dear Ms. West:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 489193.

The Del Rio Police Department (the "department") received a request for information pertaining to a "Loudermill" hearing, including any recordings or internal affairs reports, related to the requestor's client. The department claims the requested information is excepted from disclosure under section 552.101 of the Government Code. We have considered the claimed exception and reviewed the submitted information.

Initially, we note some of the information you have submitted to us for review is not responsive to the request for information because it was created after the department received the request. This ruling does not address the public availability of any information that is not responsive to the request, and the department is not required to release this information, which we have marked, in response to this request. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266 (Tex. App.—San Antonio 1978, writ dismissed).

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." This section excepts from disclosure information deemed confidential by statute, such as section 143.089 of the Local Government Code. We understand the City of Del Rio is a civil service city under chapter 143 of the Local Government Code. Section 143.089

contemplates two different types of personnel files: a police officer's civil service file that the civil service director is required to maintain, and an internal file that the police department may maintain for its own use. Local Gov't Code § 143.089(a), (g). In cases in which a police department investigates a police officer's misconduct and takes disciplinary action against an officer, it is required by section 143.089(a)(2) to place all investigatory records relating to the investigation and disciplinary action, including background documents such as complaints, witness statements, and documents of like nature from individuals who were not in a supervisory capacity, in the police officer's civil service file maintained under section 143.089(a).¹ *Abbott v. City of Corpus Christi*, 109 S.W.3d 113, 122 (Tex. App.—Austin 2003, no pet.). All investigatory materials in a case resulting in disciplinary action are “from the employing department” when they are held by or in possession of the department because of its investigation into a police officer's misconduct, and the department must forward them to the civil service commission for placement in the civil service personnel file. *Id.* Such records are subject to release under the Act. *See* Local Gov't Code § 143.089(f); Open Records Decision No. 562 at 6 (1990). However, information maintained in a police department's internal file pursuant to section 143.089(g) is confidential and must not be released. *City of San Antonio v. Texas Attorney Gen.*, 851 S.W.2d 946, 949 (Tex. App.—Austin 1993, writ denied).

You inform us the submitted information pertains to a completed internal administrative investigation of the officer at issue where, prior to the imposition of any discipline, the officer resigned. Thus, the submitted information pertains to an investigation of alleged misconduct of the officer that did not result in discipline. We note, while section 143.089(e) grants a police officer or the officer's agent a right of access to information maintained in the officer's civil service file, there is no right of access to information maintained in the officer's internal file. *See* Local Gov't Code § 143.089(e); *see also* Open Records Decision No. 650 at 3 (1996) (confidentiality provision of section 143.089(g) contains no exceptions). Accordingly, we agree the department must withhold the submitted information under section 552.101 in conjunction with section 143.089(g) of the Local Government Code.

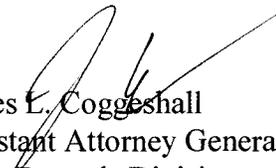

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
