Mr. Jaime J. Munoz
Attorney at Law
P.O. Box 47

OR2013-08322

Dear Mr. Munoz:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 493358.

The La Joya Independent School District (the "district"), which you represent, received a request for specified survey results, information pertaining to two named individuals, absence reports, student/teacher class ratios, and principal evaluations. You state the district has no information responsive to a portion of the request.¹ You state the district will release some of the requested information. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes. Section 21.355 of the Education Code provides, in relevant part, "[a] document evaluating the performance of a teacher or administrator is confidential." Educ. Code § 21.355(a). This office has interpreted section 21.355 to apply to any document that evaluates, as that term

¹The Act does not require a governmental body that receives a request for information to create information that did not exist when the request was received. See *Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 563 at 8 (1990), 555 at 1-2 (1990), 452 at 3 (1986), 362 at 2 (1983).

is commonly understood, the performance of a teacher or administrator. *See* Open Records Decision No. 643 (1996). In Open Records Decision No. 643, we determined an “administrator” for purposes of section 21.355 means a person who is required to, and does in fact, hold an administrator’s certificate under subchapter B of chapter 21 of the Education Code, and is performing the functions as an administrator, as that term is commonly defined, at the time of the evaluation. *See id* at 4.

You state the submitted information consists of a confidential evaluation of an administrator by the district. You inform us the administrator at issue was certified as an administrator by the State Board of Educator Certification and was acting as an administrator at the time the evaluation was prepared. Accordingly, the district must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 21.355 of the Education Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php, or call the Office of the Attorney General’s Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act must be directed to the Cost Rules Administrator of the Office of the Attorney General, toll free at (888) 672-6787.

Sincerely,

Claire V. Morris Sloan
Assistant Attorney General
