Mr. Michael B. Gary
Legal Counsel
Harris County Appraisal District

Dear Mr. Gary:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 488637 (HCAD No. 13-1623).

The Harris County Appraisal District (the "district") received a request for the amount of taxes due per vehicle for three specified company cars belonging to a named corporation. You claim that the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes. Section 22.27 of the Tax Code provides the following:

- (a) Rendition statements, real and personal property reports, attachments to those statements and reports, and other information the owner of property provides to the appraisal office in connection with the appraisal of the

¹We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

property, including income and expense information related to a property filed with an appraisal office and information voluntarily disclosed to an appraisal office or the comptroller about real or personal property sales prices after a promise it will be held confidential, are confidential and not open to public inspection. The statements and reports and the information they contain about specific real or personal property or a specific real or personal property owner and information voluntarily disclosed to an appraisal office about real or personal property sales prices after a promise it will be held confidential may not be disclosed to anyone other than an employee of the appraisal office who appraises property except as authorized by Subsection (b) of this section.

(b) Information made confidential by this section may be disclosed:

...

(2) to the person who filed the statement or report or the owner of property subject to the statement, report, or information or to a representative of either authorized in writing to receive the information;

Tax Code § 22.27(a), (b)(2). We understand the district is an “appraisal office” for purposes of section 22.27(a). You state that the requested information consists of confidential income and expense and other information provided by the property owner under a promise of confidentiality. However, we note the requestor may be the authorized representative of the owner of the property at issue and thus may have a right of access to the requested information that would otherwise be confidential under section 22.27. *See id.* § 22.27(b)(2). Thus, we must rule conditionally. If the requestor provides the requisite written authorization pursuant to section 22.27(b)(2) of the Tax Code, the district must release the requested information to this requestor.² If the requestor does not provide the requisite written authorization under section 22.27(b)(2), the district must withhold the information at issue under section 552.101 of the Government Code in conjunction with section 22.27(a) of the Tax Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

²We note to the extent the information is released, it consists of information to which the requestor has a right of access. *See* Tax Code § 22.27(b)(2). Because such information may be confidential with respect to the general public, if the district receives another request for this information from a different requestor, the district must again seek a ruling from this office.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

Britni Fabian
