

ATTORNEY GENERAL OF TEXAS  
GREG ABBOTT

June 14, 2013

Mr. Charles H. Weir  
Assistant City Attorney  
City of San Antonio  
P.O. Box 839966  
San Antonio, Texas 78283-3966

OR2013-10053

Dear Mr. Weir:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 495196 (COSA File No. W015394).

The City of San Antonio (the "city") received a request for information pertaining to a specified automobile accident. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the submitted documents include a CR-3 accident report form completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 550.065(b) states that, except as provided by subsection (c) or subsection (e), accident reports are privileged and confidential. *Id.* § 550.065(b). Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) the date of the accident; (2) the name of any person involved in the accident; and (3) the specific location of the accident. *Id.* § 550.065(c)(4). Under this provision, the Texas Department of Transportation or another governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more of the items of information specified by the statute. *Id.* In this instance, the requestor has provided the city the requisite information. Although you seek to withhold this information under section 552.108 of the Government Code, as a general rule, statutes governing the release of specific information

prevail over the general exceptions to disclosure found in the Act. *See* Attorney General Opinion DM-146 at 3 (1992); *see also* Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exceptions to disclosure under the Act). Accordingly, the city must release the submitted CR-3 accident report in its entirety pursuant to section 550.065(c)(4) of the Transportation Code.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the remaining information relates to a pending criminal investigation, and release of this information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

We note, however, the information at issue includes a DIC-24 statutory warning and a DIC-25 notice of suspension. The city provided copies of these forms to the arrestee. You have not explained how releasing this information, which has already been seen by the arrestee, would interfere with the detection, investigation, or prosecution of crime. *See* Gov’t Code § 552.108(a)(1). Accordingly, the DIC-24 and DIC-25 forms may not be withheld under section 552.108.

Additionally, section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” *Id.* § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186–87; Open Records Decision No. 127 (1976) (summarizing types of information deemed public by *Houston Chronicle*). We note basic information does not include motor vehicle record information encompassed by section 552.130 of the Government Code. *See* ORD 127. Therefore, with the exception of the DIC-24 and DIC-25 forms and basic information, the city may withhold the remaining information under section 552.108(a)(1).

Section 552.130 of the Government Code provides information relating to a motor vehicle operator’s or driver’s license issued by a Texas agency, or an agency of another state or country, is excepted from public release.<sup>1</sup> Gov’t Code § 552.130(a)(1). Upon review, we

<sup>1</sup>The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

find the city must withhold the driver's license information we have marked in the DIC-24 and DIC-25 forms under section 552.130 of the Government Code.

In summary, the city must release the submitted CR-3 accident report in its entirety pursuant to section 550.065(c)(4) of the Transportation Code. Except for the driver's license information we have marked, which the city must withhold under section 552.130 of the Government Code, the city must release the DIC-24 and DIC-25 forms. With the exception of basic information, which the city must release, the city may withhold the remaining information under section 552.108(a)(1).
