

ATTORNEY GENERAL OF TEXAS  
GREG ABBOTT

July 18, 2013

Mr. Mark D. Kennedy  
Assistant District Attorney  
Hays County District Attorney's Office  
712 South Stagecoach Trail, Suite 2057  
San Marcos, Texas 78666

OR2013-12362

Dear Mr. Kennedy:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 498362.

The Hays County District Attorney's Office (the "district attorney's office") received a request for information pertaining to the arrest of the requestor on a specified date. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.<sup>1</sup>

Initially, we note the information you seek to withhold includes the results of an analysis of a breath specimen. Section 724.018 of the Transportation Code provides that, on the request of the person who has given a specimen at the request of a peace officer, full information concerning the analysis of the specimen must be made available to that person or the person's attorney. Transp. Code § 724.018. Although you raise section 552.108 of the Government Code for this information, the exceptions to disclosure found in the Act generally do not apply to information that other statutes make public. *See* Open Records Decision Nos. 623 at 3 (1994), 525 at 3 (1989). In this instance, the requestor is the person who provided the breath specimen at the request of a peace officer. Therefore, the submitted results of the breath analysis must be released to this requestor pursuant to section 724.018 of the Transportation Code.

<sup>1</sup>We assume the "representative sample" of information submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than those submitted to this office.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the remaining information relates to a pending criminal case, and release of this information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

We note, however, the remaining information includes a DIC-24 statutory warning and a DIC-25 notice of suspension. The San Marcos Police Department provided copies of these forms to the arrestee. You have not explained how releasing this information, which has already been seen by the arrestee, would interfere with the detection, investigation, or prosecution of crime. *See* Gov’t Code § 552.108(a)(1). Accordingly, the DIC-24 and DIC-25 forms may not be withheld under section 552.108.

Additionally, section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” *Id.* § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186–87; Open Records Decision No. 127 (1976) (summarizing types of information deemed public by *Houston Chronicle*). Therefore, with the exception of the DIC-24 and DIC-25 forms and basic information, the district attorney’s office may withhold the remaining information under section 552.108(a)(1).

In summary, the submitted results of the breath analysis must be released to this requestor pursuant to section 724.018 of the Transportation Code. With the exception of the DIC-24 and DIC-25 forms and basic information, which the district attorney’s office must also release, the district attorney’s office may withhold the remaining information under section 552.108(a)(1) of the Government Code.<sup>2</sup>

<sup>2</sup>We note the information being released contains the requestor’s drivers license information, which is generally confidential under section 552.130(a)(1) of the Government Code. However, because section 552.130 protects personal privacy, the requestor has a right of access to her own information under section 552.023 of the Government Code. *See* Gov’t Code § 552.023(a) (person or person’s authorized representative has special right of access, beyond right of general public, to information held by governmental body that relates to person and is protected from public disclosure by laws intended to protect person’s privacy interests); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individual requests information concerning himself). We note section 552.130(c) of the Government Code authorizes a governmental body to redact information protected by section 552.130(a)(1) without the necessity of requesting a decision under the Act. Gov’t Code § 552.130(c). Thus, if the district attorney’s office receives another request for this same information from a person who does not have such a right of access, section 552.130(c) authorizes the district attorney’s office to redact the driver’s license information at issue.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
