

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

August 5, 2013

Mr. Gary A. Scott
Assistant City Attorney
City of Conroe
P.O. Box 3066
Conroe, Texas 77305

OR2013-13477

Dear Mr. Scott:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 499631.

The Conroe Police Department (the "department") received a request for information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under sections 552.108 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note the information you seek to withhold includes the results of an analysis of a breath specimen. Section 724.018 of the Transportation Code provides that, on the request of the person who has given a specimen at the request of a peace officer, full information concerning the analysis of the specimen must be made available to that person or the person's attorney. Transp. Code § 724.018. As a general rule, the general exceptions to disclosure found in the Act do not apply to information that other statutes make public. *See* Open Records Decision Nos. 623 at 3 (1994), 525 at 3 (1989). In this instance, the requestor is the person who provided the breath specimen at the request of a peace officer. Therefore, the submitted results of the analysis of the breath specimen must be released to this requestor pursuant to section 724.018 of the Transportation Code.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime [if] release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental

body must reasonably explain how and why section 552.108(a)(1) is applicable to the information at issue. *See id.* § 552.301(e)(1)(A); *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state release of the remaining information would interfere with an open and active criminal case. Based on your representation, we conclude section 552.108(a)(1) is generally applicable to the remaining information. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975)(court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e.*, (Tex. 1976).

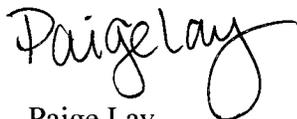

As you acknowledge, section 552.108 of the Government Code does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” Gov't Code § 552.108(c). Section 552.108(c) refers to the basic front-page information held to be public in *Houston Chronicle*. *See Houston Chronicle*, 531 S.W.2d at 186-88; Open Records Decision No. 127 at 3-4 (1976) (summarizing types of information deemed public by *Houston Chronicle*). Thus, with the exception of basic information, which you state will be released, the department may withhold the remaining submitted information under section 552.108(a)(1).

In summary, the department must release the analysis of the breath specimen pursuant to section 724.018 of the Transportation Code. With the exception of basic information, the department may withhold the remaining submitted information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
