Ms. Amy Bockes  
City Secretary  
City of Oak Point

OR2013-15066

Dear Ms. Bockes:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 502139 (PIR-2013-07-072).

The Oak Point Police Department (the "department") received a request for information pertaining to a specified collision. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the submitted information contains a CR-3 accident report form. Section 550.065(b) of the Transportation Code states that except as provided by subsection (c) or (e), accident reports are privileged and for the confidential use of certain specified entities. Transp. Code § 550.065(b). The submitted CR-3 crash report was completed pursuant to chapter 550 of the Transportation Code. *See id.* § 550.064 (officer's accident report). Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) the date of the accident; (2) the name of any person involved in the accident; and (3) the specific location of the accident. *Id.* § 550.065(c)(4). Under this provision, a governmental entity is required to release a copy of an accident report to a person who provides two or more pieces of information specified by the statute. *Id.* In this instance, the requestor has provided the department with the requisite information for the CR-3 crash report. Although you seek to withhold this information under section 552.108 of the Government Code, we note information that is specifically made public by statute may not be withheld from the public under the general exceptions to public disclosure under the Act. *See, e.g.,* Open Records

Decision Nos. 544 (1990), 378 (1983), 161 (1977), 146 (1976). Accordingly, the department must release this report in its entirety to the requestor.

We also note the submitted information includes a court-filed document. Section 552.022(a)(17) of the Government Code provides for required public disclosure of "information that is also contained in a public court record," unless the it is "made confidential under [the Act] or other law[.]" Gov't Code § 552.022(a)(17). We have marked the document that is subject to section 552.022(a)(17). Although you seek to withhold this information under section 552.108 of the Government Code, as noted above, this section is a discretionary exception and does not make information confidential under the Act. *See* Gov't Code. § 552.007; Open Records Decision No. 665 at 2 n.5 (2000) (discretionary exceptions generally). As such section 552.108 does not make information confidential for the purposes of section 552.022. Accordingly, the court document may not be withheld under section 552.108. We note, however, the information subject to section 552.022 contains motor vehicle record information subject to section 552.130 of the Government Code.<sup>1</sup> As this exception can make information confidential for purposes of section 552.022, we will address its applicability to the information at issue

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime [if] release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state that release of the remaining submitted information will interfere with a pending criminal investigation. Based on this representation, we conclude that section 552.108(a)(1) is generally applicable in this instance. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curium*, 536 S.W.2d 559 (Tex. 1976). We note, however, that the information at issue includes a DIC-24 statutory warning. The department provided a copy of this form to the arrestee. You have not explained how releasing this information, which has already been seen by the arrestee, would interfere with the detection, investigation, or prosecution of crime. *See* Gov't Code § 552.108(a)(1). Accordingly, the DIC-24 form may not be withheld under section 552.108.

Additionally, section 552.108 does not except from disclosure "basic information about an arrested person, an arrest, or a crime." *Id.* § 552.108(c). Section 552.108(c) refers to the basic "front-page" information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-187; *see also* Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Accordingly, with the exception of the

<sup>1</sup>The Office of the Attorney General will raise a mandatory exception like section 552.130 on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

DIC-24 form and basic information, the department may withhold the remaining submitted information under section 552.108(a)(1) of the Government Code.

We note that the court filed document and the DIC-24 form contains information subject to section 552.130 of the Government Code. Section 552.130 provides that information relating to a motor vehicle operator's or driver's license or permit issued by an agency of this state or another state or country is excepted from public release. Gov't Code § 552.130(a)(1). The department must withhold the information we have marked under section 552.130.

In summary, the department must release the submitted CR-3 accident report under section 550.065(c) of the Transportation Code. Except for the information we have marked under section 552.130 of the Government Code, which must be withheld, the court filed document and DIC-24 form must be released. Except for basic information, the department may withhold the remaining submitted information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
