

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

September 3, 2013

Mr. Charles H. Weir
Assistant City Attorney
Office of the City Attorney
City of San Antonio
P.O. Box 839966

OR2013-15331

Dear Mr. Weir:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 502679 (COSA W017316).

The City of San Antonio (the "city") received a request for information pertaining to a specified case number. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the submitted information contains a CR-3 accident report form. Section 550.065(b) of the Transportation Code states that except as provided by subsection (c) or subsection (e), accident reports are privileged and for the confidential use of certain specified entities. Transp. Code § 550.065(b). The submitted CR-3 crash report was completed pursuant to chapter 550 of the Transportation Code. *See id.* § 550.064 (officer's accident report). Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) the date of the accident; (2) the name of any person involved in the accident; and (3) the specific location of the accident. *Id.* § 550.065(c)(4). Under this provision, a governmental entity is required to release a copy of an accident report to a person who provides two or more

pieces of information specified by the statute. *Id.* In this instance, the requestor has provided the city with the requisite information for the CR-3 accident report. Although the city seeks to withhold this information under section 552.108 of the Government Code, as a general rule, statutes governing the release of specific information prevail over the general exceptions to disclosure found in the Act. *See* Attorney General Opinion DM-146 at 3 (1992); *see also* Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exceptions to disclosure under the Act). Accordingly, the city must release the accident report in its entirety pursuant to section 550.065 of the Transportation Code.

We also note the submitted information includes court-filed documents. Section 552.022(a)(17) of the Government Code provides for required public disclosure of "information that is also contained in a public court record," unless the information is "made confidential under [the Act] or other law[.]" Gov't Code § 552.022(a)(17). We have marked the documents that are subject to section 552.022(a)(17). Although the city seeks to withhold this information under section 552.108 of the Government Code, as noted above, this section is a discretionary exception and does not make information confidential under the Act. *See* Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions in general), 663 at 5 (1999) (waiver of discretionary exceptions), 177 at 3 (1977) (statutory predecessor to section 552.108 subject to waiver). As such, section 552.108 does not make information confidential for the purposes of section 552.022. Accordingly, the court documents may not be withheld under section 552.108. We note, however, that the information subject to section 552.022 contains motor vehicle record information subject to section 552.130 of the Government Code. As this exception can make information confidential for purposes of section 552.022, we will address its applicability to the court documents.

We now address section 552.108 of the Government Code for the remaining information. Section 552.108(a) excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). Generally, a governmental body claiming section 552.108 must reasonably explain how and why release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(a); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977).

We note, however, the information at issue includes DIC-24 statutory warning and DIC-25 notice of suspension forms. Because copies of those documents are provided to the person who is the subject of the warning and the notice, we find release of the statutory warning and the notice of suspension forms will not interfere with the detection, investigation, or

prosecution of crime. *See* Gov't Code § 552.108(a)(1). Accordingly, the DIC-24 and DIC-25 forms may not be withheld under section 552.108.

You state release of the submitted information would jeopardize an ongoing investigation. Based on this representation and our review of the information, we find release of the remaining information would interfere with the detection, investigation, or prosecution of a crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court describes law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

However, section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” Gov't Code § 552.108(c). Section 552.108(c) refers to the basic “front-page” information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-187; *see also* Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Accordingly, with the exception of the DIC-24 and DIC-25 forms and basic information, the city may withhold the remaining information under section 552.108(a)(1) of the Government Code.

We note the court documents and the DIC-24 and DIC-25 forms contain motor vehicle record information. Section 552.130 of the Government Code provides that information relating to a motor vehicle operator's license, driver's license, motor vehicle title, or registration issued by an agency of this state or another state or country is excepted from public release. Gov't Code § 552.130(a)(1)-(2). Thus, the city must withhold the information we have marked under section 552.130.

In summary, the city must release the marked CR-3 accident report in its entirety pursuant to section 550.065(c)(4) of the Transportation Code. With the exception of the information we have marked under section 552.130 of the Government Code, which must be withheld, the city must release the marked court documents pursuant to section 552.022(a)(17) of the Government Code and the marked DIC-24 and DIC-25 forms. With the exception of basic information, which also must be released, the city may withhold the remaining information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
