

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

Ms. Michelle M. Kretz
Assistant City Attorney
City of Fort Worth
1000 Throckmorton Street, Third Floor
Fort Worth, Texas 76102

OR2013-15663

Dear Ms. Kretz:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 503437 (PIR No. W027882).

The City of Fort Worth (the "city") received a request for incident report number 13-77521. You state the city has redacted motor vehicle record information other than the requestor's as permitted by section 552.130(c) of the Government Code.¹ You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes. Juvenile

¹Section 552.130(c) authorizes a governmental body to redact, without the necessity of requesting a decision from this office, the motor vehicle record information described in subsections 552.130(a)(1) and (a)(3). *See* Gov't Code § 552.130(c); *see also id.* § 552.130(d)-(e) (requestor may appeal governmental body's decision to withhold information under section 552.130(c) to attorney general, and a governmental body withhold information pursuant to section 552.130(c) must provide certain notice to requestor). Because section 552.130 protects personal privacy, the requestor has a right to his own motor vehicle record information under section 552.023 of the Government Code. *See id.* § 552.023(a); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individual requests information concerning self).

law enforcement records relating to conduct that occurred on or after September 1, 1997 are confidential under section 58.007(c) of the Family Code, which reads as follows:

(c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise, concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

- (1) if maintained on paper or microfilm, kept separate from adult files and records;
- (2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are separate and distinct from controls to access electronic data concerning adults; and
- (3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

Fam. Code § 58.007(c). For purposes of section 58.007(c), “child” means a person who is ten years of age or older and under seventeen years of age at the time of the reported conduct. *See id.* § 51.02(2). Section 58.007(c) is not applicable to information that relates to a juvenile as a complainant, victim, witness, or other involved party; it is only applicable to juveniles listed as suspects or offenders. *See id.* §§ 58.007, 51.03 (defining “delinquent conduct” and “conduct indicating a need for supervision” for purposes of section 58.007). We have reviewed the submitted information and find it does not identify a juvenile suspect or offender for purposes of section 58.007. Accordingly, we find that you have not demonstrated the applicability of section 58.007(c) of the Family Code to the submitted information. Thus, the city may not withhold the submitted information under section 552.101 of the Government Code in conjunction with section 58.007(c) of the Family Code. As you raise no further exceptions to disclosure, the city must release the information at issue.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
