

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

September 12, 2013

Mr. David Kemp
First Assistant County Attorney
Office of the County Attorney
500 South Fillmore Street, Room 303
Amarillo, Texas 79101

OR2013-15877

Dear Mr. Kemp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 503963.

The Potter County Sheriff's Office (the "sheriff's office") received a request for the forensic interviews of two young females alleged to be victims of a sexual offense. You claim the requested information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information protected by other statutes, such as section 261.201 of the Family Code, which provides, in part, as follows:

(a) [T]he following information is confidential, is not subject to public release under [the Act] and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

¹ We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

(1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and

(2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

Fam. Code § 261.201(a). Upon review, we find the information at issue consists of information used or developed in an investigation of alleged or suspected child abuse or neglect. *See id.* § 261.001(1), (4) (defining “abuse” and “neglect” for purposes of chapter 261 of the Family Code); *see also id.* § 101.003(a) (defining “child” for purposes of chapter 261 of the Family Code). You do not indicate the sheriff’s office has adopted a rule governing the release of this type of information; therefore, we assume no such regulation exists. Given that assumption, we conclude the information requested is confidential pursuant to section 261.201 of the Family Code, and the sheriff’s office must withhold it in its entirety under section 552.101 of the Government Code.² *See* Open Records Decision No. 440 at 2 (1986) (addressing predecessor statute).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,

Alia K. Plasencia-Bishop
Assistant Attorney General
Open Records Division

² As our ruling is dispositive, we need not address your remaining argument against disclosure.
