Dear Mr. Walston:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 501173.

The State Office of Administrative Hearings (the "SOAH") received a request for the judge's final reading in a specified case. You claim that the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses information other statutes make confidential. You raise section 1701.454 of the Occupations Code, which governs the public availability of information submitted to the Texas Commission on Law Enforcement Officer Standards and Education ("TCLEOSE") under subchapter J of chapter 1701 of the Occupations Code. Section 1701.454 provides as follows:

- (a) All information submitted to [TCLEOSE] under this subchapter is confidential and is not subject to disclosure under Chapter 552, Government Code, ~~unless the person resigned or was terminated due to substantiated incidents of excessive force or violations of the law other than traffic offenses.~~

(b) Except as provided by this subchapter, a [TCLEOSE] member or other person may not release information submitted under this subchapter.

Occ. Code § 1701.454(a), (b). You state the submitted Decision and Order consists of information that was submitted to TCLEOSE pursuant to subchapter J of chapter 1701 of the Occupations Code. You also inform us the officer at issue was not terminated due to a substantiated incident of excessive force or a violation of the law. Therefore, the SOAH must withhold the submitted information under section 552.101 in conjunction with section 1701.454 of the Occupations Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
