

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

October 7, 2013

Mr. Timothy E. Bray
Deputy General Counsel
Texas Department of State Health Services
P.O. Box 149347
Austin, Texas 78714-9347

OR2013-17378

Dear Mr. Bray:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 501424 (DSHS OR File No. 21970/2013).

The Texas Department of State Health Services (the "department") received a request for information related to a specified inspection at Rusk State Hospital by the Joint Commission. The department claims the requested information is excepted from disclosure under section 552.101 of the Government Code. We have considered the claimed exception and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, such as section 161.032 of the Health and Safety Code, which provides, in relevant part the following:

- (a) The records and proceedings of a medical committee are confidential and are not subject to court subpoena.

...

(c) Records, information, or reports of a medical committee, medical peer review committee, or compliance officer and records, information, or reports provided by a medical committee, medical peer review committee, or compliance officer to the governing body of a public hospital, hospital district, or hospital authority are not subject to disclosure under [the Act].

...

(f) This section and Subchapter A, Chapter 160, Occupations Code, do not apply to records made or maintained in the regular course of business by a hospital, health maintenance organization, medical organization, university medical center or health science center, hospital district, hospital authority, or extended care facility.

Health & Safety Code § 161.032(a), (c), (f). A “medical committee” is any committee, including a joint committee of a hospital, medical organization, university medical school or health science center, health maintenance organization, extended care facility, a hospital district, or a hospital authority. Health & Safety Code § 161.031(a). The term also encompasses “a committee appointed *ad hoc* to conduct a specific investigation or established under state or federal law or rule or under the bylaws or rules of the organization or institution.” *Id.* § 161.031(b) (emphasis added). The precise scope of the “medical committee” provision has been the subject of a number of judicial decisions. *See, e.g., Mem’l Hosp.—The Woodlands v. McCown*, 927 S.W.2d 1 (Tex. 1996); *Barnes v. Whittington*, 751 S.W.2d 493 (Tex. 1988); *Jordan v. Fourth Supreme Judicial Dist.*, 701 S.W.2d 644 (Tex. 1986). These cases establish “documents generated by the committee in order to conduct open and thorough review” are confidential. *Jordan*, 701 S.W.2d at 647-48. This protection extends “to documents that have been prepared by or at the direction of the committee for committee purposes.” *Id.* Protection does not extend to documents “gratuitously submitted to a committee” or “created without committee impetus and purpose.” *Id.*; *see also* Open Records Decision No. 591 (1991) (construing statutory predecessor to Health & Safety Code § 161.032). Additionally, we note section 161.032 does not make confidential “records made or maintained in the regular course of business by a hospital[.]” Health & Safety Code § 161.032(f); *see also Mem’l Hosp.*, 927 S.W.2d at 10 (stating reference to statutory predecessor to section 160.007 of the Occupations Code in section 161.032 is clear signal records should be accorded same treatment under both statutes in determining if they were made in ordinary course of business). The phrase “records made or maintained in the regular course of business” has been construed to mean records that are neither created nor obtained in connection with a medical committee’s deliberative proceedings. *See Mem’l Hosp.*, 927 S.W.2d at 10 (discussing *Barnes*, 751 S.W.2d 493, and *Jordan*, 701 S.W.2d 644).

You state the submitted information consists of a report prepared by the Joint Commission that is maintained by the department for the purpose of accreditation by the Joint

Commission. In *Humana Hospital Corporation v. Spears-Petersen*, 867 S.W.2d 858 (Tex. App.—San Antonio 1993, orig. proceeding), the court found the Joint Commission is a medical committee under section 161.031(a)(2) and its accreditation report of a hospital is confidential under section 161.032.¹ *Id.* Based on your representations and our review, we find the submitted information constitutes records, information, or reports of a medical committee acting under subchapter D of chapter 161 of the Health and Safety Code. Therefore, we conclude the submitted information is confidential under section 161.032(a) of the Health and Safety Code and the department must withhold it from release under section 552.101 of the Government Code on that ground.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act may be directed to the Office of the Attorney General, toll free, at (888) 672-6787.

Sincerely,

James L. Coggeshall
Assistant Attorney General
Open Records Division
