Mr. Charles H. Weir  
Assistant City Attorney  
City of San Antonio  
P.O. Box 839966

OR2013-18178

Dear Mr. Weir:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 502931 (COSA File No. W017381).

The San Antonio Police Department (the "department") received a request for twenty-one categories of information pertaining to a specified motor vehicle accident. You claim the requested information is excepted from disclosure under sections 552.101 through 552.153 of the Government Code. We have considered the exceptions you claim.

We must address the department's obligations under the Act. Section 552.301 of the Government Code prescribes the procedures that a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. Gov't Code § 552.301. Section 552.301(b) requires that a governmental body ask for a decision from this office and state which exceptions apply to the requested information by the tenth business day after receiving the request. *Id.* § 552.301(b). Pursuant to section 552.301(e), a governmental body is required to submit to this office within fifteen business days of receiving an open records request (1) written comments stating the reasons why the stated exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. *Id.* § 552.301(e). You state the department received the request for information on July 30, 2013. Thus, the department was required to request a decision from this office by August 13, 2013, and to submit the information required by section 552.301(e) by August 20, 2013. However, the envelope in which you submitted the request for a decision bears a meter mark of August 14, 2013. *See id.* § 552.308 (describing rules for calculating submission dates of documents sent via first class United States mail, common or contract carrier, or interagency mail). Further, as of the date of this letter, you

have not submitted to this office arguments stating why any claimed exceptions apply to the information at issue or a copy or representative sample of the information requested. Accordingly, we find the department failed to comply with section 552.301 of the Government Code.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless the governmental body demonstrates a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ); *see also* Open Records Decision No. 630 (1994). Generally, a governmental body may demonstrate a compelling reason to withhold information by showing that the information is made confidential by another source of law or affects third party interests. *See* ORD 630. Because the department failed to comply with the requirements of the Act, the department has waived all of its claimed discretionary exceptions to disclosure. *See* Open Records Decision No. 665 at 2 n.5 (2000) (untimely request for decision results in waiver of discretionary exceptions). Although the department also raises mandatory exceptions to disclosure, because you have not submitted the requested information for our review, we have no basis for finding any of the information confidential by law. Thus, we have no choice but to order the requested information released pursuant to section 552.302. If you believe the information is confidential and may not lawfully be released, you must challenge this ruling in court pursuant to section 552.324 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
