

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

October 31, 2013

Ms. LeAnn M. Quinn
City Secretary
City of Cedar Park
450 Cypress Creek Road
Cedar Park, Texas 78613

OR2013-19024

Dear Ms. Quinn:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 509144 (Ref. No. 13-1018).

The City of Cedar Park (the "city") received a request for a specified incident report. You state the city has released the information in Exhibit B, including the DIC-24 statutory warning and the DIC-25 notice of suspension.¹ You claim Exhibit C is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note that the information you seek to withhold includes the results of an analysis of a breath specimen. Section 724.018 of the Transportation Code provides that, on the request of the person who has given a specimen at the request of a peace officer, full information concerning the analysis of the specimen must be made available to that person or the person's attorney. Transp. Code § 724.018. As a general rule, the exceptions to disclosure found in the Act do not apply to information that other statutes make public. *See*

¹We note the requestor has a right of access to some information being released pursuant to section 552.023 of the Government Code. *See* Gov't Code § 552.023(a) ("[a] person or a person's authorized representative has a special right of access, beyond the right of the general public, to information held by a governmental body that relates to the person and that is protected from public disclosure by laws intended to protect that person's privacy interests"); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individuals request information concerning themselves). Section 552.130(c) of the Government Code authorizes a governmental body to redact information protected by section 552.130(a)(1) without the necessity of requesting a decision under the Act. *See* Gov't Code § 552.130(c). Therefore, if the city receives another request for the same information from a person who would not have a right of access to the present requestor's private information, section 552.130(c) authorizes the city to redact this requestor's driver's license information without requesting another ruling. If a governmental body redacts such information, it must notify the requestor in accordance with section 552.130(e). *See id.* Code § 552.130(d), (e).

Open Records Decision Nos. 623 at 3 (1994), 525 at 3 (1989). In this instance, the requestor is the person who provided the breath specimen at the request of a peace officer. Therefore, the submitted results of the analysis of the breath specimen must be released to this requestor pursuant to section 724.018 of the Transportation Code.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body that claims an exception to disclosure under section 552.108 must reasonably explain how and why this exception is applicable to the information at issue. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state Exhibit C relates to a pending criminal prosecution. Based upon your representation and our review, we find section 552.108(a)(1) is applicable to the information at issue. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Accordingly, the city may withhold the remaining information in Exhibit C under section 552.108(a)(1).

In summary, the submitted results of the analysis of the breath specimen must be released to this requestor pursuant to section 724.018 of the Transportation Code. The city may withhold the remaining information in Exhibit C under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
