Ms. Sharon Alexander
Associate General Counsel
Texas Department of Transportation

OR2013-19049

Dear Ms. Alexander:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 504243.

The Texas Department of Transportation (the "department") received four requests for mowing records for four specified highway locations during the last four years. You claim the submitted information is excepted from disclosure under section 552.103 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Section 552.103 of the Government Code provides in relevant part as follows:

- (a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or

¹We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

employee of the state or a political subdivision, as a consequence of the person's office or employment, is or may be a party.

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure under Subsection (a) only if the litigation is pending or reasonably anticipated on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Gov't Code § 552.103(a), (c). A governmental body has the burden of providing relevant facts and documents to show section 552.103(a) is applicable in a particular situation. The test for meeting this burden is a showing that (1) litigation was pending or reasonably anticipated on the date the governmental body received the request for information, and (2) the information at issue is related to that litigation. *See Univ. of Tex. Law Sch. v. Tex. Legal Found.*, 958 S.W.2d 479, 481 (Tex. App.—Austin 1997, orig. proceeding); *Heard v. Houston Post Co.*, 684 S.W.2d 210, 212 (Tex. App.—Houston [1st Dist.] 1984, writ ref'd n.r.e.); Open Records Decision No. 551 at 4 (1990). A governmental body must meet both prongs of this test for information to be excepted under section 552.103(a). *See* ORD 551.

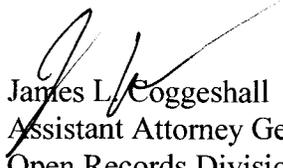

You state, and provide documentation showing, prior to the department's receipt of the instant request, a lawsuit styled *Chambers v. Texas Department of Transportation*, Cause No. 88069-422, was filed and is currently pending against the department in the 422nd District Court of Kaufman County, Texas. Therefore, we agree litigation was pending on the date the department received the present request for information. You also state the information at issue relates to the pending litigation. Based on your representations and our review, we find the information at issue is related to the pending litigation. Therefore, we conclude the department may withhold the submitted information under section 552.103 of the Government Code.

We note, however, once the information has been obtained by all parties to the pending litigation, no section 552.103(a) interest exists with respect to that information. Open Records Decision No. 349 at 2 (1982). We also note the applicability of section 552.103(a) ends when the litigation has concluded. Attorney General Opinion MW-575 (1982) at 2; Open Records Decision Nos. 350 at 3 (1982), 349 at 2.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
