Dear Ms. Presley:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 505083.

The City of Frisco (the "city") received a request for the video recording of a specified arrest. You claim the submitted information is excepted from disclosure under section 552.130 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.130 of the Government Code excepts from disclosure information relating to a motor vehicle operator's or driver's license or permit issued by an agency of this state or another state or country. Gov't Code § 552.130(a)(1). You state the submitted video recordings contain references to driver's license numbers of individuals other than the requestor, and the city lacks the technology to redact this information from the recordings. Based on these representations, we agree the city must withhold the submitted video recordings in their entirety under section 552.130 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
