GREG ABBOTT

December 5, 2013

Mr. W. Montgomery Meitler
Senior Counsel
Office of Legal Services
Texas Education Agency
1701 North Congress Avenue
Austin, Texas 78701-1494

OR2013-21153

Dear Mr. Meitler:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 507614 (TEA PIR# 20528).

The Texas Education Agency (the "TEA") received a request for information related to all complaints, requests for mediation, and due process petitions filed against Conroe Independent School District during a specified period of time.¹ You state the TEA will release some of the requested information. You also state the TEA has redacted student-identifying information pursuant to the Family Education Rights and Privacy Act ("FERPA"), 20 U.S.C. § 1232g.² You claim the submitted information is excepted from

¹You state the TEA sought and received clarification of the information requested. *See* Gov't Code § 552.222 (providing if request for information is unclear, governmental body may ask requestor to clarify request).

²The United States Department of Education Family Policy Compliance Office (the "DOE") has informed this office FERPA does not permit state and local educational authorities to disclose to this office, without parental or student consent, unredacted, personally identifiable information contained in education records for the purpose of our review in the open records ruling process under the Act. The DOE has determined FERPA determinations must be made by the educational authority in possession of the education records. A copy of this letter may be found on the Office of the Attorney General's website: <http://www.oag.state.tx.us/open/20060725usdoe.pdf>.

disclosure under section 552.116 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.³

Initially, you state some of the requested information was the subject of a previous request for information, as a result of which this office issued Open Records Letter No. 2011-13763 (2011). In that ruling, we determined the TEA may withhold the information at issue under section 552.116 of the Government Code. You inform us there has been no change in the law, facts, or circumstances on which the prior ruling was based. Accordingly, for the requested information that is identical to the information previously requested and ruled upon by this office, we conclude the TEA may rely on Open Records Letter No. 2011-13763 as a previous determination and withhold the identical information in accordance with that ruling. *See* Open Records Decision No. 673 (2001) (so long as law, facts, and circumstances on which prior ruling was based have not changed, first type of previous determination exists where requested information is precisely same information as was addressed in prior attorney general ruling, ruling is addressed to same governmental body, and ruling concludes that information is or is not excepted from disclosure).

Section 552.116 of the Government Code provides the following:

(a) An audit working paper of an audit of the state auditor or the auditor of a state agency, an institution of higher education as defined by Section 61.003, Education Code, a county, a municipality, a school district, a hospital district, or a joint board operating under Section 22.074, Transportation Code, including any audit relating to the criminal history background check of a public school employee, is excepted from the requirements of Section 552.021. If information in an audit working paper is also maintained in another record, that other record is not excepted from the requirements of Section 552.021 by this section.

(b) In this section:

(1) "Audit" means an audit authorized or required by a statute of this state or the United States, the charter or an ordinance of a municipality, an order of the commissioners court of a county, the bylaws adopted by or other action of the governing board of a hospital district, a resolution or other action of a board of trustees of a school district, including an audit by the district relating to the criminal history background check of a public school employee, or a resolution

³We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

or other action of a joint board described by Subsection (a) and includes an investigation.

(2) "Audit working paper" includes all information, documentary or otherwise, prepared or maintained in conducting an audit or preparing an audit report, including:

(A) intra-agency and interagency communications; and

(B) drafts of the audit report or portions of those drafts.

Gov't Code § 552.116. You state the submitted information constitutes audit working papers prepared or maintained by the TEA's Division of Federal and State Education Policy in conjunction with investigations in response to complaints under the federal Individuals with Disabilities Education Act ("IDEA"), 20 U.S.C. §§ 1400-1482. You further state the audits are authorized by sections 300.151 through 300.153 of title 34 of the Code of Federal Regulations, which require the TEA to conduct audits of school districts as part of the state complaint procedures under IDEA. You also inform this office the submitted information consists of "audit working papers prepared or maintained by [the] TEA's Student Assessment Division Security Task Force in conducting an investigation of testing irregularities in the administration of statewide assessment instruments." You inform us the investigation was "authorized by section 39.057(a)(8) of the Education Code, which permits the [c]ommissioner of [e]ducation to authorize special accreditation investigations to be conducted in response to an allegation regarding or an analysis using a statistical method result indicating a possible violation of an assessment instrument security procedure." *See* Educ. Code § 39.057 (listing circumstances in which the commissioner shall authorize investigations). Based on your arguments and our review, we agree the information at issue constitutes audit working papers. Therefore, the TEA may withhold the information at issue under section 552.116 of the Government Code.

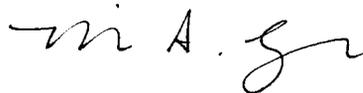

In summary, for the requested information that is identical to the information previously requested and ruled upon by this office, the TEA may rely on Open Records Letter No. 2011-13763 as a previous determination and withhold the identical information in accordance with that ruling. The TEA may withhold the remaining information at issue under section 552.116 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <http://www.texasattorneygeneral.gov/open/>
