Civil Section
Bexar County

OR2014-00616

Dear Mr. Warthen:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 515618.

Bexar County Medical Examiner's Office (the "medical examiner") received a request for a specified autopsy report. You claim the requested information is excepted from disclosure under section 552.108 of the Government Code.¹ We have considered the exception you claim and reviewed the submitted information.²

Initially, we must address the medical examiner's obligations under the Act. Section 552.301 of the Government Code describes the procedural obligations placed on a governmental body that receives a written request for information it wishes to withhold.

¹Although you raise section 552.101 of the Government Code, you make no arguments to support this exception. Therefore, we assume you have withdrawn your claim this section applies to the submitted information. *See* Gov't Code §§ 552.301, .302.

²We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

Pursuant to section 552.301(b), the governmental body must request a ruling from this office and state the exceptions to disclosure that apply within ten business days after receiving the request. *See* Gov't Code § 552.301(b). Pursuant to section 552.301(e) of the Government Code, a governmental body is required to submit to this office within fifteen business days of receiving the request (1) general written comments stating the reasons why the stated exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. *See id.* § 552.301(e). The medical examiner received the present request on October 23, 2013. However, the envelope in which you requested a ruling from this office is postmarked December 16, 2013. *See id.* § 552.308 (describing rules for calculating submission dates of documents sent via first class United States mail).

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the requirements of section 552.301 results in the legal presumption the requested information is public and must be released unless a compelling reason exists to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381-82 (Tex. App.—Austin 1990, no writ) (governmental body must make compelling demonstration to overcome presumption of openness pursuant to statutory predecessor to section 552.302); *see also* Open Records Decision No. 630 (1994). Generally, a compelling reason to withhold information exists where some other source of law makes the information confidential or where third party interests are at stake. Open Records Decision No. 150 at 2 (1977). The need of a governmental body, other than the agency that is seeking an open records decision, to withhold information under section 552.108 of the Government Code can provide a compelling reason to withhold information from disclosure. Open Records Decision No. 586 (1991). You represent that the Bexar County District Attorney's Office (the "district attorney's office") seeks to withhold the submitted information. Accordingly, we will consider the claim of the district attorney's office under section 552.108.

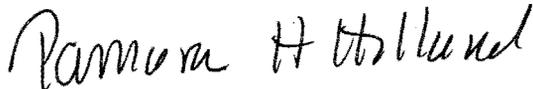

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body must reasonably explain how and why section 552.108 is applicable to the information at issue. *See id.* § 552.301(e)(1)(A); *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You inform us that the district attorney's office objects to disclosure of the submitted information because its release would interfere with an ongoing criminal prosecution. Based on this representation and our review, we conclude the medical examiner may withhold the submitted information under section 552.108(a)(1) of the Government Code. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th

Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
