Dear Mr. Countz:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 514001.

The Walker County Justice of the Peace, Precinct 2 (the "justice of the peace") received a request for specified autopsy reports and death certificates. You state the justice of the peace does not have the requested death certificates.¹ You claim the submitted information is excepted from disclosure under section 552.115 of the Government Code. Information "collected, assembled, or maintained by or for the judiciary" is not subject to the Act but instead is "governed by rules adopted by the Supreme Court of Texas or by other applicable laws and rules." *Id.* § 552.0035(a); *cf.* Open Records Decision No. 131 (1976) (applying statutory predecessor to judiciary exclusion under Gov't Code § 552.003(1)(B) prior to enactment of Gov't Code § 552.0035). The instant request is for information maintained by the justice of the peace. Therefore, we conclude the requested information is not subject to the Act and need not be

¹The Act does not require a governmental body to release information that did not exist when a request for information was received or to prepare new information in response to a request. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266, 267-68 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 452 at 3 (1986), 362 at 2 (1983).

released in response to this request for information.² As we are able to make this determination, we do not address your exception to disclosure.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
