Office of General Counsel  
The University of Texas System

Austin, Texas 78701

OR2014-01432

Ms. Ana Vieira:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 510393 (OGC No. 152444).

The University of Texas System (the "system") received a request for all documents relating to the evaluation of the job performance of any president or chancellor that occurred during a specified system board of regents meeting. You claim the submitted information is excepted from disclosure under sections 552.107 and 552.111 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.<sup>1</sup>

Section 552.111 of the Government Code excepts from disclosure "an interagency or intraagency memorandum or letter that would not be available by law to a party in litigation with the agency." Gov't Code § 552.111. This section encompasses the deliberative process privilege. *See* Open Records Decision No. 615 at 2 (1993). The purpose of section 552.111 is to protect advice, opinion, and recommendation in the decisional process and to encourage open and frank discussion in the deliberative process. *See Austin v. City of San Antonio*, 630

<sup>1</sup>We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

S.W.2d 391, 394 (Tex. App.—San Antonio 1982, writ ref'd n.r.e.); Open Records Decision No. 538 at 1-2 (1990). In Open Records Decision No. 615, this office reexamined the predecessor to the section 552.111 exception in light of the decision in *Texas Department of Public Safety v. Gilbreath*, 842 S.W.2d 408 (Tex. App.—Austin 1992, no writ). We determined section 552.111 excepts from disclosure only those internal communications consisting of advice, recommendations, and opinions reflecting the policymaking processes of the governmental body. See ORD 615 at 5. A governmental body's policymaking functions do not encompass internal administrative or personnel matters, and disclosure of information relating to such matters will not inhibit free discussion among agency personnel as to policy issues. *Id.*; see also *City of Garland v. Dallas Morning News*, 22 S.W.3d 351 (Tex. 2000) (section 552.111 not applicable to personnel-related communications that did not involve policymaking). However, a governmental body's policymaking functions do include administrative and personnel matters of broad scope that affect the governmental body's policy mission. See Open Records Decision No. 631 at 3 (1995).

Further, section 552.111 does not protect facts and written observations of facts and events that are severable from advice, opinions, and recommendations. See ORD 615 at 5. But if factual information is so inextricably intertwined with material involving advice, opinion, or recommendation as to make severance of the factual data impractical, the factual information also may be withheld under section 552.111. See Open Records Decision No. 313 at 3 (1982). When determining if an interagency memorandum is excepted from disclosure under section 552.111, we must consider whether the agencies between which the memorandum is passed share a privity of interest or common deliberative process with regard to the policy matter at issue. See Open Records Decision No. 561 at 9 (1990).

This office has also concluded a preliminary draft of a policymaking document that is intended for release in final form is excepted from disclosure in its entirety under section 552.111 because such a draft necessarily represents the advice, recommendations, or opinions of the drafter as to the form and content of the final document. See Open Records Decision No. 559 at 2 (1990). Section 552.111 protects factual information in the draft that also will be included in the final version of the document. See *id.* at 2-3. Thus, section 552.111 encompasses the entire contents, including comments, underlining, deletions, and proofreading marks, of a preliminary draft of a policymaking document that will be released to the public in its final form. See *id.* at 2.

You state the submitted information consists of information pertaining to a closed meeting of the system's board of regents and draft evaluations of system presidents. You explain this information contains advice and recommendations from system employees and officials. Additionally, you state the draft documents will be released in their final forms. Based on your arguments and our review, we agree the submitted information consists of the advice, opinions, or recommendations of system employees and officials regarding policymaking

matters, and the system may withhold the submitted information under section 552.111 of the Government Code.<sup>2</sup>
